

Senate Bill 31

Printed pursuant to Senate Interim Rule 213.28 by order of the President of the Senate in conformance with pre-session filing rules, indicating neither advocacy nor opposition on the part of the President (at the request of Governor Kate Brown for Oregon Department of Administrative Services)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**.

Changes name of office of State Chief Information Officer to office of Enterprise Information Services.

A BILL FOR AN ACT

1
2 Relating to Enterprise Information Services; creating new provisions; and amending ORS 276A.203,
3 276A.253, 276A.323, 276A.326, 276A.335, 276A.503, 276A.506, 276A.515 and 403.450.

4 **Be It Enacted by the People of the State of Oregon:**

5 **SECTION 1.** ORS 276A.203 is amended to read:

6 276A.203. (1) The [*office of the State Chief Information Officer*] **office of Enterprise Information**
7 **Services** is established in the Oregon Department of Administrative Services. **The office shall be**
8 **managed by the State Chief Information Officer. The office shall direct, coordinate and**
9 **oversee** [*for the purpose of directing, coordinating and overseeing*] state information technology and
10 telecommunications in accordance with ORS 276A.206 and other statutes, rules and policies that
11 govern the state's or state agencies' budgeting, planning, acquiring, managing, overseeing and using
12 telecommunications and information technology.

13 (2) The Governor shall appoint the State Chief Information Officer, who serves at the pleasure
14 of the Governor. The State Chief Information Officer may adopt rules in accordance with ORS
15 chapter 183 to exercise and carry out the duties, functions and powers committed to the State Chief
16 Information Officer under ORS 276A.206 and other statutes, rules or policies that commit functions
17 to the State Chief Information Officer.

18 (3) The State Chief Information Officer must be a person who, by training and experience, is
19 well qualified to:

20 (a) Perform the duties that the Governor specifies; and

21 (b) Carry out the functions specified in ORS 276A.206 and in other statutes, rules or policies
22 that commit functions to the State Chief Information Officer.

23 (4)(a) The State Chief Information Officer shall:

24 (A) Serve as the Governor's chief advisor concerning information resources, information tech-
25 nology, information systems, geographic information systems, information systems security and tele-
26 communications.

27 (B) Implement and maintain an information technology governance program for the executive
28 department.

29 (C) Adopt rules, policies and standards for budgeting, planning, acquiring, installing, operating
30 and overseeing telecommunications and information technology for the executive department.

NOTE: Matter in **boldfaced** type in an amended section is new; matter [*italic and bracketed*] is existing law to be omitted. New sections are in **boldfaced** type.

1 (D) Review and make recommendations to the Governor and the Legislative Assembly concern-
2 ing state agency information technology budget requests.

3 (E) Adopt plans, rules, policies and standards for the executive department concerning ge-
4 ographic information systems and geographic data.

5 (F) Adopt state information systems security plans, rules, policies and standards for the execu-
6 tive department.

7 (G) Assess state agencies each biennium to evaluate compliance with the State Chief Informa-
8 tion Officer's rules, policies and standards and provide results of the assessments to the Governor
9 and to the Joint Legislative Committee on Information Management and Technology.

10 (H) Develop and promote training programs in information technology, information systems se-
11 curity, geographic information systems, enterprise architecture and project and portfolio manage-
12 ment.

13 (I) Enhance sharing and coordination among federal, tribal, regional, state government and local
14 government entities in this state with respect to geographic information systems and geographic
15 data.

16 (J) Oversee information technology and telecommunications procurements as provided in ORS
17 279A.050 (7).

18 (K) Conduct a market analysis each biennium to determine whether the state data center is the
19 most effective and efficient method for providing information technology and information resources
20 to state agencies and other users. In conducting the market analysis, the State Chief Information
21 Officer shall consider best practices and trends among federal, state and local government entities
22 and the extent to which new or emerging technologies affect how the state provides information
23 technology and information resources. The State Chief Information Officer shall provide the results
24 of the analysis to the Governor and to the Joint Legislative Committee on Information Management
25 and Technology and may recommend changes in the information technology and information re-
26 sources that the state data center provides or in methods that the state data center uses to provide
27 information technology and information resources.

28 (L) Identify information technology services that the State Chief Information Officer recom-
29 mends for design, delivery and management as enterprise or shared information technology services
30 and, each biennium, report to the Governor and the Joint Legislative Committee on Information
31 Management and Technology concerning the status of new enterprise or shared information tech-
32 nology services.

33 (M) Adopt or update each biennium an Enterprise Information Resources Management Strategy
34 for the state. In addition to the functions described in ORS 276A.236, the Enterprise Information
35 Resources Management Strategy must provide for integrating statewide technology initiatives, en-
36 suring compliance with information technology rules, policies and standards, promoting coordi-
37 nation, consolidation and alignment of information resources and technologies and effectively
38 managing the state's and state agencies' information technology portfolios. In developing the En-
39 terprise Information Resources Management Strategy, the State Chief Information Officer shall
40 consult with and consider advice and suggestions from the department, state agencies and local
41 governments, from private sector information technology experts, from the Legislative Fiscal Officer,
42 from the Joint Legislative Committee on Information Management and Technology or from individ-
43 ual members of the Legislative Assembly that the President of the Senate and the Speaker of the
44 House of Representatives appoint for the purpose of consulting with the State Chief Information
45 Officer under this subsection.

1 (N) Identify and recommend to the Governor, within the State Chief Information Officer's
2 biennial budget request, resources that are necessary to implement the Enterprise Information Re-
3 sources Management Strategy.

4 (O) Develop standards, protocols and procedures for executive department agencies to use in
5 searching for and identifying requested public records that are retained in electronic form and to
6 use in fulfilling public records requests that seek records in electronic form.

7 (b) As used in this subsection:

8 (A) "Executive department" has the meaning given that term in ORS 174.112, except that
9 "executive department" does not include the Secretary of State in performing the duties of the
10 constitutional office of Secretary of State or the State Treasurer in performing the duties of the
11 constitutional office of State Treasurer.

12 (B) "Geographic data" means digital data that consist of geographic or projected map coordinate
13 values, identification codes and associated descriptive data to locate and describe boundaries or
14 features on, above or below the surface of the earth, demographic data or related data.

15 (C) "Geographic information system" means hardware, software, and data for capturing, man-
16 aging, analyzing and displaying geographic data.

17 (D) "Information system" means computers, hardware, software, storage media, networks, oper-
18 ational procedures and processes used in collecting, processing, storing, sharing or distributing in-
19 formation within, or with any access beyond ordinary public access to, the state's shared computing
20 and network infrastructure.

21 (E) "State government" has the meaning given that term in ORS 174.111.

22 (5) The State Chief Information Officer may:

23 (a) Organize and reorganize the [*office of the State Chief Information Officer*] **office of Enter-**
24 **prise Information Services** in the manner the State Chief Information Officer considers necessary
25 to conduct the work of the [*office of the State Chief Information Officer*] **office of Enterprise In-**
26 **formation Services** properly.

27 (b) Divide the [*office of the State Chief Information Officer*] **office of Enterprise Information**
28 **Services** into administrative programs, units or sections and appoint an individual to administer
29 each program, unit or section that the State Chief Information Officer establishes under this sub-
30 section. The individual the State Chief Information Officer appoints serves at the pleasure of the
31 State Chief Information Officer and must be well qualified by technical training and experience in
32 the functions the individual will perform. The State Chief Information Officer's actions under this
33 paragraph are subject to ORS chapter 240.

34 (c) Appoint subordinate officers and employees of the [*office of the State Chief Information*
35 *Officer*] **office of Enterprise Information Services**, prescribe the officers' and employees' duties
36 and fix compensation for the officers and employees. The State Chief Information Officer's actions
37 under this paragraph are subject to ORS chapter 240.

38 (d) Delegate to an employee of the [*office of the State Chief Information Officer*] **office of En-**
39 **terprise Information Services** or to another individual any duty, function or power that the State
40 Chief Information Officer may exercise or perform under ORS 276A.206 or under other statutes,
41 rules or policies that commit functions to the State Chief Information Officer. For the purpose of
42 performing an official act in the State Chief Information Officer's name, the State Chief Information
43 Officer may delegate a duty, function or power by means of an interagency agreement, an inter-
44 governmental agreement in accordance with ORS chapter 190 or a contract. An official act that an
45 individual performs in the name of the State Chief Information Officer under a delegation from the

1 State Chief Information Officer under this paragraph is an official act of the State Chief Information
2 Officer.

3 **SECTION 2.** ORS 276A.253, as amended by section 5, chapter 10, Oregon Laws 2020 (second
4 special session), is amended to read:

5 276A.253. (1)(a) The State Chief Information Officer shall maintain and make available an
6 Oregon transparency website. The website must allow any person to view information that is a
7 public record and is not exempt from disclosure under ORS 192.311 to 192.478, including but not
8 limited to information described in subsection (3) of this section. The State Chief Information Officer
9 shall provide on the home page of the website a method for users to offer suggestions regarding the
10 form or content of the website.

11 (b) The Oregon Department of Administrative Services shall assist the State Chief Information
12 Officer in performing duties under paragraph (a) of this subsection to the extent the State Chief
13 Information Officer deems the assistance necessary.

14 (2) State agencies and education service districts, to the extent practicable and subject to laws
15 relating to confidentiality, when at no additional cost, using existing data and existing resources of
16 the state agency or education service district and without reallocation of resources, shall:

17 (a) Furnish information to the Oregon transparency website by posting reports and providing
18 links to existing information system applications in accordance with standards that the State Chief
19 Information Officer establishes; and

20 (b) Provide the information in the format and manner that the State Chief Information Officer
21 requires.

22 (3) To the extent practicable and subject to laws relating to confidentiality, when at no addi-
23 tional cost, using existing data and existing resources of the state agency or education service dis-
24 trict and without reallocation of resources, the Oregon transparency website must contain
25 information about each state agency and education service district, including but not limited to:

26 (a) Annual revenues of state agencies and education service districts;

27 (b) Annual expenditures of state agencies and education service districts;

28 (c) Annual human resources expenses, including compensation, of state agencies and education
29 service districts;

30 (d) Annual tax expenditures of state agencies, including, when possible, the identity of the re-
31 cipients of each tax expenditure;

32 (e) For each state agency, a description of the percentage of expenditures made in this state and
33 the percentage of expenditures made outside this state under all contracts for goods or services the
34 state agency enters into during each biennium;

35 (f) A prominently placed graphic representation of the primary funding categories and approxi-
36 mate number of individuals that the state agency or the education service district serves;

37 (g) A description of the mission, function and program categories of the state agency or educa-
38 tion service district;

39 (h) A copy of any audit report that the Secretary of State issues for the state agency or the
40 education service district;

41 (i) The local service plans of the education service districts;

42 (j) A copy of each report required by statute for education service districts; and

43 (k) A copy of all notices of public meetings of the education service districts.

44 (4) In addition to the information described in subsection (3) of this section:

45 (a) The State Chief Information Officer shall post on the Oregon transparency website notices

1 of public meetings the state agency must provide under ORS 192.640. If the state agency maintains
2 a website where minutes or summaries of the public meetings are available, the state agency shall
3 provide the State Chief Information Officer with the link to the state agency website for posting on
4 the Oregon transparency website.

5 (b) The State Chief Information Officer shall post on the Oregon transparency website a link for
6 the website that the Secretary of State maintains for rules that the state agency adopts. If the state
7 agency maintains a website where the state agency posts the rules, or where any information re-
8 lating to the rules of the agency is posted, the state agency shall provide the State Chief Information
9 Officer with the link to the website for posting on the Oregon transparency website.

10 (c) The State Chief Information Officer shall provide links on the Oregon transparency website
11 for information that the State Chief Information Officer receives concerning contracts and subcon-
12 tracts that a state agency or education service district enters into, to the extent that disclosing the
13 information is allowed by law and the information is already available on websites that the state
14 agency or education service district maintains. To the extent available, the information to which the
15 State Chief Information Officer links under this section must include:

- 16 (A) Information on professional, personal and material contracts;
- 17 (B) The date of each contract and the amount payable under the contract;
- 18 (C) The period during which the contract is or was in effect; and
- 19 (D) The names and addresses of vendors.

20 (d) The State Chief Information Officer shall provide an economic development section on the
21 Oregon transparency website for posting of information submitted to the State Chief Information
22 Officer by state agencies responsible for administering specific economic development programs. The
23 section shall include, but not be limited to, the following information, if it is already collected or
24 available within an existing database maintained by the state agency in the course of administering
25 the economic development program:

26 (A) The names of filmmakers or companies that have received reimbursements from the Oregon
27 Production Investment Fund under ORS 284.368 and the amount of each reimbursement;

28 (B) The amount of revenue bonds issued under ORS 285A.430 for the Beginning and Expanding
29 Farmer Loan Program, the names of persons who received loans under the program and the amount
30 of the loan;

31 (C) The names of persons who received grants, loans or equity investments from the Oregon
32 Innovation Council under ORS 284.742 and the purpose and amount of the grant, loan or equity in-
33 vestment;

34 (D) Copies of, or links to, annual reports required to be filed under ORS 285C.615 under the
35 strategic investment program;

36 (E) Copies of, or links to, annual certifications required to be filed under ORS 285C.506 for the
37 business development income tax exemption; and

38 (F) Information required to be posted on the Oregon transparency website under ORS 276A.256.

39 (e) The information reported under paragraph (d) of this subsection:

40 (A) May not include proprietary information; and

41 (B) Shall be provided to the State Chief Information Officer by the state agency in the format
42 and manner required by the State Chief Information Officer.

43 (f) The State Chief Information Officer shall post on the Oregon transparency website informa-
44 tion describing the process for requesting copies of public records from a public body, including a
45 link to the public records section of the Department of Justice webpage. At the request of a state

1 agency or education service district, the State Chief Information Officer shall include a link to a
2 location on the webpage of the agency or district that describes the process for requesting public
3 records from the agency or district.

4 (5) In operating, refining and recommending enhancements to the Oregon transparency website,
5 the State Chief Information Officer and the Transparency Oregon Advisory Commission created in
6 ORS 276A.259 shall consider and, to the extent practicable, adhere to the following principles:

7 (a) The website must be accessible without cost and be easy to use;

8 (b) Information included on the Oregon transparency website must be presented using plain,
9 easily understandable language; and

10 (c) The website should teach users about how state government and education service districts
11 work and provide users with the opportunity to learn something about how state government and
12 education service districts raise and spend revenue.

13 (6) If a state agency or an education service district is not able to include information described
14 in this section on the Oregon transparency website because of the lack of availability of information
15 or cost in acquiring information, the Transparency Oregon Advisory Commission created in ORS
16 276A.259 shall list the information that is not included for the state agency or education service
17 district in the commission's report to the Legislative Assembly required under ORS 276A.259.

18 (7)(a) For the purpose of providing transparency in the revenues, expenditures and budgets of
19 the following entities, the State Chief Information Officer shall include on the Oregon transparency
20 website a page that provides links to websites established by:

21 (A) Local governments, as defined in ORS 174.116.

22 (B) Special government bodies, as defined in ORS 174.117.

23 (C) Semi-independent state agencies listed in ORS 182.454.

24 (D) Public universities listed in ORS 352.002.

25 (E) Public university statewide programs operated by a public university listed in ORS 352.002.

26 (F) The Oregon Health and Science University.

27 (G) The Oregon Tourism Commission.

28 (H) The Oregon Film and Video Office.

29 (I) The Travel Information Council.

30 (J) The Children's Trust Fund of Oregon Foundation.

31 (K) Oregon Corrections Enterprises.

32 (L) The State Accident Insurance Fund Corporation.

33 (M) The Oregon Utility Notification Center.

34 (N) Any public corporation created under a statute of this state and specifically designated as
35 a public corporation.

36 (b) The State Chief Information Officer shall include a link to an entity's website after receiving
37 a request from the entity and shall consider recommendations from the Transparency Oregon Advi-
38 sory Commission for including other links to websites of the entities listed in paragraph (a) of this
39 subsection.

40 (c) At the request of any local government, as defined in ORS 174.116, or special government
41 body, as defined in ORS 174.117, the State Chief Information Officer shall include on the Oregon
42 transparency website notices of public meetings required to be provided under ORS 192.640 by the
43 local government or special government body. The local government or special government body
44 must submit public meeting notice information in the format and manner required by the State Chief
45 Information Officer.

1 (d) The [*office of the State Chief Information Officer*] **office of Enterprise Information Services**
 2 shall include a prominent link on the home page of the Oregon transparency website for information
 3 posted to the page described in paragraph (a) of this subsection.

4 (8) Nothing in this section prohibits the State Chief Information Officer or the Oregon Depart-
 5 ment of Administrative Services from incurring costs or requesting additional resources to develop,
 6 maintain or enhance the Oregon transparency website.

7 **SECTION 3.** ORS 276A.323 is amended to read:

8 276A.323. (1) As used in this section:

9 (a) “Executive department” has the meaning given that term in ORS 174.112, except that
 10 “executive department” does not include:

11 (A) The Secretary of State.

12 (B) The State Treasurer.

13 (C) The Attorney General.

14 (D) The Oregon State Lottery.

15 (E) Public universities listed in ORS 352.002.

16 (b) “State agency” means an agency, as defined in ORS 183.310, in the executive department.

17 (2) All state agencies shall:

18 (a) Cooperate with the [*office of the State Chief Information Officer*] **office of Enterprise In-**
 19 **formation Services** in the implementation of a continuing statewide agency-by-agency risk-based
 20 information technology security assessment and remediation program.

21 (b) Cooperate in the development of, and follow, the plans, rules, policies and standards adopted
 22 by the State Chief Information Officer with regard to the unification of agency information tech-
 23 nology security functions in this state.

24 (c) Conduct and document the completion of annual information technology security awareness
 25 training for all agency employees.

26 (d) Report security metrics using methodologies developed by the [*office of the State Chief In-*
 27 *formation Officer*] **office of Enterprise Information Services**.

28 (e) Participate in activities coordinated by the [*office of the State Chief Information Officer*] **of-**
 29 **fice of Enterprise Information Services** in order to better understand and address security inci-
 30 dents and critical cybersecurity threats to the state.

31 (3) The State Chief Information Officer shall determine and allocate the costs to state agencies
 32 associated with providing information technology services, third-party security evaluations, vulner-
 33 ability assessments and remediation measures. State agencies shall pay the costs to the State Chief
 34 Information Officer in the same manner as the state agency pays other claims. The State Chief In-
 35 formation Officer shall deposit into the State Information Technology Operating Fund established
 36 under ORS 276A.209 all moneys that the State Chief Information Officer receives from state agencies
 37 for purposes of providing information technology services and administering and enforcing the du-
 38 ties, functions and powers under this section.

39 **SECTION 4.** ORS 276A.326 is amended to read:

40 276A.326. (1) The Oregon Cybersecurity Advisory Council is established within the [*office of the*
 41 *State Chief Information Officer*] **office of Enterprise Information Services**. The council consists
 42 of nine voting members appointed by the State Chief Information Officer in consultation with the
 43 Governor. A majority of the council’s voting members must be representatives of cyber-related in-
 44 dustries in Oregon. The voting members of the council must include at least one representative of
 45 post-secondary institutions of education and one representative of public law enforcement agencies

1 in Oregon.

2 (2) The State Chief Information Officer may appoint nonvoting members to the council from:

- 3 (a) The Department of Justice;
- 4 (b) The office of the Secretary of State;
- 5 (c) The Office of Emergency Management;
- 6 (d) The Department of Consumer and Business Services;
- 7 (e) The Higher Education Coordinating Commission;
- 8 (f) The State Workforce and Talent Development Board;
- 9 (g) The Employment Department;
- 10 (h) The Oregon Business Development Department; or
- 11 (i) Any local, county, state, regional, tribal or federal government partner.

12 (3) The State Chief Information Officer shall provide administrative and staff support and facil-
13 ities as necessary for the council to carry out the purposes set forth in this section.

14 (4) The purposes of the council are to:

- 15 (a) Serve as the statewide advisory body to the State Chief Information Officer on cybersecurity.
- 16 (b) Provide a statewide forum for discussing and resolving cybersecurity issues.
- 17 (c) Provide information and recommend best practices concerning cybersecurity and resilience
18 measures to public and private entities.

19 (d) Coordinate cybersecurity information sharing and promote shared and real-time situational
20 awareness between the public and private sectors in this state.

21 (e) Encourage the development of the cybersecurity workforce through measures including, but
22 not limited to, competitions aimed at building workforce skills, disseminating best practices, facili-
23 tating cybersecurity research and encouraging industry investment and partnership with post-
24 secondary institutions of education and other career readiness programs.

25 (5) The council may adopt rules necessary for the operation of the council.

26 (6)(a) A majority of the voting members of the council constitutes a quorum for the transaction
27 of business.

28 (b) Official action by the council requires the approval of a majority of the voting members of
29 the council.

30 (7) The State Chief Information Officer shall appoint one member of the council to serve as
31 chairperson and one member of the council to serve as vice chairperson.

32 (8)(a) The term of office of each voting member of the council is four years, but a member serves
33 at the pleasure of the State Chief Information Officer.

34 (b) Before the expiration of the term of a voting member, the State Chief Information Officer,
35 in consultation with the Governor, shall appoint a successor whose term begins on July 1 following
36 the appointment. A voting member is eligible for reappointment.

37 (c) A nonvoting member's term of office is two years. A nonvoting member is eligible for reap-
38 pointment.

39 (d) If there is a vacancy for any cause, the State Chief Information Officer, in consultation with
40 the Governor, shall make an appointment to become immediately effective for the unexpired term.

41 (9) The council shall meet at times and places specified by the call of the chairperson or a ma-
42 jority of the voting members of the council.

43 (10) Members of the council who are not members of the Legislative Assembly are not entitled
44 to compensation, but the State Chief Information Officer may reimburse a member of the council for
45 actual and necessary travel and other expenses incurred in performing the member's official duties,

1 in the manner and amounts provided for in ORS 292.495, from funds appropriated to the State Chief
 2 Information Officer for purposes of the council.

3 (11) All agencies of state government, as defined in ORS 174.111, are directed to assist the
 4 council in the performance of the council’s duties and, to the extent permitted by laws relating to
 5 confidentiality, shall furnish information and advice the council considers necessary to perform the
 6 council’s duties.

7 **SECTION 5.** ORS 276A.335 is amended to read:

8 276A.335. (1) The *[office of the]* State Chief Information Officer may accept from the United
 9 States Government or any of its agencies any funds that are made available to the state for carrying
 10 out the purposes of ORS 276A.323 to 276A.335, regardless of whether the funds are made available
 11 by grant, loan or other financing arrangement. Under the authority granted by ORS chapter 190, the
 12 *[office of the]* State Chief Information Officer may enter into agreements and other arrangements
 13 with the United States Government or any of its agencies as may be necessary, proper and con-
 14 venient for carrying out the purposes of ORS 276A.323 to 276A.335.

15 (2) The *[office of the State Chief Information Officer]* **office of Enterprise Information Services**
 16 may accept from any source any grant, donation, gift or other form of conveyance of land, money,
 17 real or personal property or other valuable thing made to the state or the *[office of the State Chief*
 18 *Information Officer]* **office of Enterprise Information Services** for carrying out the purposes of
 19 ORS 276A.323 to 276A.335.

20 (3) Any cybersecurity initiative, consistent with the purposes of ORS 276A.323 to 276A.335, may
 21 be financed in whole or in part by contributions of any funds or property made by any private entity
 22 or unit of government that is a party to any agreement entered into under the authority of the *[office*
 23 *of the State Chief Information Officer]* **office of Enterprise Information Services**.

24 (4) The State Chief Information Officer shall deposit into the State Information Technology Op-
 25 erating Fund established under ORS 276A.209 all moneys received under this section.

26 **SECTION 6.** ORS 276A.503 is amended to read:

27 276A.503. (1) The Oregon Geographic Information Council is established within the *[office of the*
 28 *State Chief Information Officer]* **office of Enterprise Information Services**. The State Chief Infor-
 29 mation Officer shall provide administrative and staff support and facilities that are necessary for the
 30 council to carry out the purposes set forth in this section. The purposes of the council are to:

31 (a) Serve as the statewide governing body for sharing and managing geospatial framework data;

32 (b) Oversee the preparation and maintenance of a plan to enhance geographic framework infor-
 33 mation sharing and management and to enhance coordination with respect to geographic framework
 34 information among public bodies within this state; and

35 (c) Coordinate geospatial framework data sharing and management that occurs among public
 36 bodies.

37 (2) The membership of the council consists of:

38 (a) Two members of the Legislative Assembly appointed as follows:

39 (A) The President of the Senate shall appoint one member from the Senate who has an interest
 40 in geographic information systems and in enhancing geospatial framework data sharing among pub-
 41 lic bodies; and

42 (B) The Speaker of the House of Representatives shall appoint one member from the House of
 43 Representatives who has an interest in geographic information systems and in enhancing geospatial
 44 framework data sharing among public bodies.

45 (b) The following members appointed by the Governor:

3 the term.

4 (8) The council shall meet at times and places that the chairperson or a majority of the voting
5 members of the council specifies.

6 (9) Members of the council who are not members of the Legislative Assembly may not receive
7 compensation, but the State Chief Information Officer, at the State Chief Information Officer's dis-
8 cretion, may reimburse council members for actual and necessary travel and other expenses the
9 members incur in performing the members' official duties, in the manner and amounts provided for
10 in ORS 292.495, from funds appropriated to the State Chief Information Officer for carrying out the
11 council's purposes.

12 (10) All agencies of state government, as defined in ORS 174.111, shall assist the council in
13 performing the council's duties and, to the extent permitted by laws relating to confidentiality, shall
14 furnish information and advice the council considers necessary to perform the council's duties.

15 **SECTION 7.** ORS 276A.506 is amended to read:

16 276A.506. (1) The Oregon Geographic Information Council has the exclusive power to:

17 (a) Serve as the statewide governing body for sharing and managing geospatial framework data
18 that public bodies share under ORS 276A.500 to 276A.515;

19 (b) Develop and update every four years a strategic plan to manage geospatial framework data
20 that aligns as closely as possible with the Enterprise Information Resources Management Strategy
21 described in ORS 276A.203 and oversee the implementation of the plan;

22 (c) Adopt, in consultation with the State Chief Information Officer, rules, policies and standards
23 that identify geospatial framework data that public bodies must share and that specify how fre-
24 quently public bodies must share the geospatial framework data;

25 (d) Recommend an allocation of responsibilities among public bodies for collecting, using, man-
26 aging, sharing and maintaining geospatial framework data and devise and recommend terms under
27 which public bodies share geospatial framework data;

28 (e) Adopt charters, rules, policies and procedures for carrying out the council's purposes under
29 ORS 276A.503;

30 (f) Establish subcommittees, work groups and other bodies or methods of organization that the
31 council deems necessary to carry out the council's purposes under ORS 276A.503; and

32 (g) Establish and appoint members to advisory committees for the purposes described in sub-
33 section (3) of this section.

34 (2) The Oregon Geographic Information Council shall:

35 (a) Lead and coordinate efforts to accumulate, disseminate, analyze and manage geographic in-
36 formation, including efforts that:

37 (A) Provide a statewide forum for discussing and resolving issues related to geographic infor-
38 mation management;

39 (B) Develop and maintain partnerships for managing geographic information among public
40 bodies; and

41 (C) Identify best practices for managing geographic information and geographic information
42 systems and determine whether and how to apply the best practices within this state.

43 (b) Recommend laws, rules, policies and strategies for improving geographic information col-
44 lection, dissemination, analysis and management to the Legislative Assembly, the United States
45 Congress, public bodies and other individuals and entities.

1 (c) Develop and submit each biennium to the State Chief Information Officer for approval a plan
2 and a budget for collecting, using, managing, sharing and maintaining geospatial framework data
3 and for maintaining a geospatial data library within the [*office of the State Chief Information*
4 *Officer*] **office of Enterprise Information Services.**

5 (d) Work with public bodies to:

6 (A) Coordinate the activities of public bodies that relate to collecting, using, managing, sharing
7 and maintaining geospatial framework data;

8 (B) Develop strategies to improve geospatial framework data sharing, to reduce duplication of
9 effort and to improve the coordination described in subparagraph (A) of this paragraph;

10 (C) Identify the types, categories, forms and other classifications of geospatial framework data
11 that public bodies, private entities and the public need;

12 (D) Disseminate information about projects that various public bodies are undertaking with re-
13 spect to geospatial framework data and other geographic information;

14 (E) Invite participation in developing, reviewing and updating the strategic plan described in
15 subsection (1)(b) of this section;

16 (F) Recommend legislation to enhance geospatial framework data management and sharing
17 among public bodies; and

18 (G) Recommend to the Legislative Assembly strategies for eliminating the fees that public bodies
19 charge to other public bodies for geospatial framework data under ORS 190.050 or 192.324.

20 (e) Review periodically plans, grant proposals and budget requests that public bodies make for
21 the purpose of digital mapping and identify opportunities for collaboration and shared investment
22 that reduce unnecessary duplication of effort.

23 (f) Report on the plan described in paragraph (c) of this subsection and the council's other ac-
24 tivities to the State Chief Information Officer, the Governor and the Joint Legislative Committee
25 on Information Management and Technology on or before March 1 of each odd-numbered year.

26 (3)(a) The council may establish an advisory committee for any purpose, and, subject to para-
27 graph (b) of this subsection, membership on an advisory committee is open to any person.

28 (b) If the council establishes one or more advisory committees for the purpose of advising the
29 council concerning the development, collection, sharing or aggregation of geospatial framework
30 data, the council shall establish each advisory committee with reference to the committee members'
31 expertise or ability to advise the council concerning a particular category of geospatial framework
32 data.

33 (c) Each advisory committee the council establishes under paragraph (b) of this subsection shall:

34 (A) Identify particular geospatial framework data that public bodies should share;

35 (B) Recommend a schedule for sharing the geospatial framework data that the committee iden-
36 tifies in subparagraph (A) of this paragraph;

37 (C) Recommend processes, work flow, procedures and necessary funding for collecting, using,
38 managing, sharing and maintaining geospatial framework data; and

39 (D)(i) Recommend and coordinate recommendations from other sources for data formats, security
40 standards and other standards for collecting, storing, transferring, maintaining and managing
41 geospatial framework data;

42 (ii) Submit the recommendations to the council and the State Chief Information Officer; and

43 (iii) Update and revise the recommendations periodically to account for new circumstances.

44 (d) Members of an advisory committee may not receive compensation, but the State Chief In-
45 formation Officer, at the State Chief Information Officer's discretion, may reimburse members of an

1 advisory committee for actual and necessary travel and other expenses the members incur in per-
 2 forming the members' duties, in the manner and amounts provided for in ORS 292.495, from funds
 3 appropriated to the State Chief Information Officer for the carrying out the council's purposes.

4 **SECTION 8.** ORS 276A.515 is amended to read:

5 276A.515. (1) The State Chief Information Officer shall establish and appoint an individual as a
 6 state geographic information officer to fill a full-time equivalent position that manages and oversees
 7 the daily operations of the [*office of the State Chief Information Officer*] **office of Enterprise In-**
 8 **formation Services** that concern or are related to geographic information and geospatial frame-
 9 work data.

10 (2) The individual that the State Chief Information Officer appoints under subsection (1) of this
 11 section must be, by training and experience, well qualified for and capable of performing the fol-
 12 lowing duties:

13 (a) Serving as the State Chief Information Officer's principal advisor concerning geographic in-
 14 formation systems, geospatial framework data and other programs and issues that concern ge-
 15 ographic information;

 17 state agencies, the federal government and other public bodies on issues that concern geospatial
 18 framework data and sharing geospatial framework data;

19 (c) Serving as the State Chief Information Officer's representative on the Oregon Geographic
 20 Information Council;

21 (d) Taking a leading role in coordinating the council's development and maintenance of the
 22 strategic plan described in ORS 276A.506 (1)(b), in overseeing the implementation of the plan and in
 23 conducting the council's activities, as described in ORS 276A.503 and 276A.506;

24 (e) Taking responsibility for and directing the efforts described in ORS 276A.509 (4);

25 (f) Coordinating with the Federal Geographic Data Committee, the United States Geological
 26 Survey and other federal agencies in developing geospatial framework data in this state;

27 (g) Serving as the State Chief Information Officer's liaison for existing or proposed federal pro-
 28 grams that relate to creating or maintaining geospatial framework data in this state;

29 (h) Representing the state on the National States Geographic Information Council and in local,
 30 regional and national programs and efforts that are related to geographic information systems and
 31 managing geographic information;

32 (i) Overseeing compliance with rules adopted and policies, standards and plans established by
 33 the State Chief Information Officer or the Oregon Geographic Information Council with respect to
 34 geographic framework data and geographic information systems;

35 (j) Consulting and collaborating with, supporting and providing services to public bodies and
 36 other stakeholders on projects that are related to geospatial framework data or other geographic
 37 information;

38 (k) Leading development and deployment for, and overseeing the continuing operation, mainte-
 39 nance, support and enhancement of, the geospatial data library described in ORS 276A.506 (2)(c) on
 40 behalf of public bodies in this state; and

41 (L) Performing other duties that the State Chief Information Officer specifies.

42 **SECTION 9.** ORS 403.450 is amended to read:

43 403.450. (1) The State Interoperability Executive Council is created under the State Chief In-
 44 formation Officer to be the statewide interoperability governing body serving as the primary steer-
