2 (6) Nothing in this section requires a student to participate in a mental health screening.

3 (7)(a) By the date and on the form prescribed by the Department of Education, each
4 participating school district shall provide reports on the pilot program to the department.

5 (b) The department shall submit a preliminary report on the pilot program to an interim
6 committee of the Legislative Assembly related to education no later than September 15, 2022.

7 (c) The report required under paragraph (b) of this section must include:

8 (A) An explanation of how students were identified to be offered a mental health
9 screening;

10 (B) The number of students who received a mental health screening;

11 (C) Demographic information about the students who received a mental health screening,
12 including, at a minimum, age, grade and ethnicity;

13 (D) When during the school year students were identified to be offered a mental health
14 screening;

15 (E) The number and percentage of students who, based on a mental health screening,
16 were referred to a patient centered primary care home partner; and

17 (F) The number and percentage of students who, after receiving a referral to a patient
18 centered primary care home partner, followed up on the referral.

19 (d) The department shall submit a final report on the pilot program to an interim com-
20 mittee of the Legislative Assembly related to education no later than September 15, 2023. In
21 addition to the information described in paragraph (c) of this subsection, the report shall
22 include:

23 (A) Suggestions for how to fund and implement statewide a program that provides stu-
24 dents with mental health screenings;

25 (B) Strategies for ensuring that mental health screenings and referrals are administered
26 and provided in an equitable manner; and

27 (C) The identification of the primary barriers faced by students with mental health needs
28 in accessing assistance, which may include insurance, lack of providers or time for appoint-
29 ments.
