3 “(e) Notify each claimant of an adverse benefit determination not  
4 later than 45 days after receiving a claim, except that an insurer may  
5 extend the time within which the insurer may give the notification for  
6 a maximum of two additional 30-day periods if the insurer determines  
7 that the insurer needs additional information from the claimant or the  
8 delay is the result of circumstances beyond the insurer’s control and:

9 “(A) The insurer notifies the claimant of each extension before the  
10 expiration of the initial 45-day period or the first extension, as appro-  
11 priate; and

12 “(B) The insurer explains, describes or states, as appropriate, in  
13 each notification of an extension:

14 “(i) The standards that apply to the determination;

15 “(ii) Any unresolved issues that prevent a determination;

16 “(iii) Any additional information the claimant must provide for the  
17 determination, giving a date not later than 45 days from the date of

8 claimant’s remedies under the insurer’s appeals process;

9       “(v) An explanation of the insurer’s determination that includes, if  
10 applicable:

11       “(I) Reasons why the insurer did not agree with or follow advice,  
12 opinions or recommendations from vocational consultants or health  
13 care providers who evaluated or treated the claimant and that the  
14 claimant included in the claim, or why the insurer disagreed with a  
15 determination by the United States Social Security Administration;  
16 and

17       “(II) The advice, opinions and recommendations of the insurer’s

20 efit determination;

21       “(vi) Specific summaries or citations of the insurer’s claim proce-  
22 dures, internal rules, guidelines, protocols, standards or other criteria  
23 on which the insurer relied in making the adverse benefit determi-  
24 nation, or a statement that the insurer does not have or did not use  
25 specific claim procedures, rules, guidelines, protocols, standards or  
26 other criteria; and

27       “(vii) A statement that explains the claimant’s reasonable right of  
28 access, upon request and free of charge, to copies of all documents,  
29 records and other information that are related to the claim and the  
30 adverse benefit determination, along with procedures for obtaining the

1 documents, records and other information.

2 “(g) Establish and maintain a claim procedure under which a  
3 claimant has a reasonable opportunity to appeal an adverse benefit  
4 determination under conditions that ensure a full and fair consider-  
5 ation of the claim and the adverse benefit determination. The insurer  
6 in the claim procedure shall give the claimant:

7 “(A) At least 180 days after the date of the adverse benefit deter-  
8 mination within which to appeal;

9 “(B) An opportunity to submit written comments, documents, re-  
10 cords and other information related to the claim;

11 “(C) Upon request and free charge, reasonable access to and copies  
12 of all of the insurer’s documents, records and other information re-  
13 lated to the claim;

14 “(D) Due consideration of the comments, documents, records and  
15 other information the claimant submits during the appeal, without  
16 regard to whether the claimant submitted the comments, documents,  
17 records or other information for the initial determination;

18 “(E) A proceeding in which the official that conducts the proceed-  
19 ing:

20 “(i) Does not defer to the adverse benefit determination;

21 “(ii) Is not the official who made the adverse benefit determination  
22 or a subordinate of the official; and

23 “(iii) Consults with a health care provider who has appropriate  
24 training and experience to make an informed medical judgment con-  
25 cerning the claim, if a determination of the claim requires a medical  
26 judgment, but who is not a health care provider who participated in  
27 the adverse benefit determination, or a subordinate of the health care  
28 provider; and

29 “(F) The identities of medical providers or vocational consultants  
30 from whom the insurer obtained advice, opinions or recommendations

1 concerning the adverse benefit determination, even if the insurer did  
2 not rely on the advice, opinions or recommendations in making the  
3 adverse benefit determination.

4 “(4)(a) If in an appeal of an adverse benefit determination an  
5 insurer intends to consider evidence or a rationale that the insurer did  
6 not previously consider in making the adverse benefit determination,  
7 the insurer shall, as soon as possible and before making a determi-  
8 nation in the appeal, notify the claimant of the evidence and the ra-  
9 tionale and in the notification provide the claimant with copies of the  
10 evidence and an explanation of the rationale, free of any charge. The  
11 insurer’s notification must allow the claimant a reasonable time  
12 within which to respond to the evidence or rationale.

13 “(b) An insurer shall complete an appeal of an adverse benefit de-  
14 termination and notify the claimant of the insurer’s determination of  
15 the appeal not later than 45 days after receiving the claimant’s request  
16 for the appeal, except that the insurer may extend for not more than  
17 an additional 45 days the time within which the insurer may complete  
18 the appeal if the insurer:

19 “(A) Determines that special circumstances require the delay; and

20 “(B) Gives the claimant:

21 “(i) Notice of the extension before the expiration of the initial  
22 45-day period;

23 “(ii) An explanation of the special circumstances that caused the  
24 delay; and

25 “(iii) A date by which the insurer expects to make and give the  
26 claimant notice of a determination of the appeal.

27 “(5) The period of time within which an insurer must make a de-  
28 termination on a claim or an appeal begins when the insurer receives  
29 notice of the claim or appeal, even if the notice does not include all  
30 information necessary to make a determination with respect to the

1 claim or appeal. If the insurer must extend the period within which  
2 the insurer must make a determination because the claimant failed  
3 to submit necessary information, the period is tolled from the date on  
4 which the insurer notifies the claimant of the need for additional in-  
5 formation until the date on which the claimant responds to the notice.

6 “(6)(a) Except as provided in paragraph (b) of this subsection, a  
7 claimant has exhausted the claimant’s administrative remedies with  
8 respect to a claim or appeal of an adverse benefit determination if the  
9 insurer does not adhere strictly to the requirements of this section.

10 “(b) An insurer’s failure to adhere strictly to the requirements of  
11 this section that is de minimis and does not or is not likely to cause  
12 prejudice or harm to the claimant does not constitute a claimant’s  
13 exhaustion of the claimant’s administrative remedies with respect to  
14 a claim or appeal if the failure is not part of a pattern or practice of  
15 failures by the insurer and the insurer demonstrates that the failure:

16 “(A) Was for good cause or was a result of circumstances beyond  
17 the insurer’s control; and

18 “(B) Occurred in the context of an ongoing, good-faith exchange of  
19 information between the insurer and the claimant.

20 “(c) A claimant may request from the insurer a written explanation  
21 of the failure, which the insurer must provide within 10 days after  
22 receiving the request. In the explanation, the insurer must specify the  
23 basis for any assertion by the insurer that the failure does not con-  
24 stitute an exhaustion of the claimant’s administrative remedies with  
25 respect to the claim or appeal.

26 “SECTION 3. Section 2 of this 2021 Act applies to a policy of disa-  
27 bility income insurance that an insurer issues or renews on or after  
28 the operative date specified in section 4 of this 2021 Act.

29 “SECTION 4. (1) Section 2 of this 2021 Act becomes operative on  
30 January 1, 2023.

1       **“(2) The Director of the Department of Consumer and Business**  
2 **Services may adopt rules and take any other action before the opera-**  
3 **tive date specified in subsection (1) of this section that is necessary**  
4 **to enable the director, on and after the operative date specified in**  
5 **subsection (1) of this section, to undertake and exercise all of the du-**  
6 **ties, functions and powers conferred on the director by section 2 of**  
7 **this 2021 Act.**

8       **“SECTION 5. This 2021 Act takes effect on the 91st day after the**  
9 **date on which the 2021 regular session of the Eighty-first Legislative**  
10 **Assembly adjourns sine die.”.**
