6 **“SECTION 1. Sections 2 and 3 of this 2021 Act are added to and
7 made a part of ORS 537.747 to 537.795.**

8 **“SECTION 2. The Water Well Abandonment, Repair and Replace-
9 ment Fund is established in the State Treasury, separate and distinct
10 from the General Fund. Interest earned by the Water Well Abandon-
11 ment, Repair and Replacement Fund shall be credited to the fund.
12 Moneys in the fund are continuously appropriated to the Water Re-
13 sources Department for the purpose of carrying out the program pur-
14 poses described in section 3 of this 2021 Act. The fund shall consist of
15 any moneys designated for deposit in the fund or for carrying out the
16 program purposes, including but not limited to appropriations or other
17 provisions of moneys by the Legislative Assembly and public or private
18 moneys from gifts, grants or donations.**

19 **“SECTION 3. (1) As used in this section, ‘repair’ may include, but
20 is not limited to, a well deepening.**

21 **“(2) Moneys in the Water Well Abandonment, Repair and Replace-**

1 **ment Fund may be disbursed under authority of the Water Resources**
2 **Director for the purposes described in this section. The Water Re-**
3 **sources Department may disburse moneys from the fund to provide**
4 **financial assistance:**

5 **“(a) To a person, as defined in ORS 536.007, or member of a federally**
6 **recognized Indian tribe in Oregon to permanently abandon a water**
7 **well or to repair or replace a water well that is used for household**
8 **purposes;**

9 **“(b) To nonprofit, governmental or other institutions that meet**
10 **qualifications established by Water Resources Commission rules, for**
11 **programs to permanently abandon water wells and to repair or replace**
12 **water wells used for household purposes;**

13 **“(c) As cost-sharing with other programs to permanently abandon**
14 **water wells and to repair or replace water wells used for household**
15 **purposes; or**

16 **“(d) To pay the cost of direct services of a water well constructor**
17 **licensed under ORS 537.747 to purchase necessary materials and per-**
18 **form the work needed for abandoning, repairing or replacing water**
19 **wells that are eligible under this section.**

20 **“(3) Except as provided in subsection (4) of this section, financial**
21 **assistance provided under subsection (2) of this section may not ex-**
22 **ceed:**

23 **“(a) 75 percent of the cost to permanently abandon a water well;**

24 **“(b) 75 percent of the cost to repair or to replace a water well used**
25 **for household purposes; or**

26 **“(c) 50 percent of the cost of developing a program to permanently**
27 **abandon, repair or replace water wells, when paid to an institution**
28 **described in subsection (2)(b) of this section.**

29 **“(4) Notwithstanding subsection (3) of this section, financial assist-**
30 **ance provided under subsection (2) of this section to an individual with**

1 lower income, as defined by the department, may cover the full cost
2 of the materials or work described in subsection (2) of this section.

3 “(5) An expenditure from the fund is subject to at least one of the
4 following purposes:

5 “(a) The permanent abandonment, repair or replacement of water
6 wells in which deficiencies in the well construction might:

7 “(A) Result in waste, loss of artesian pressure or ground water de-
8 clines;

9 “(B) Serve as a conduit for contamination; or

10 “(C) Otherwise be a detriment to public health or safety.

11 “(b) The repair or replacement of water wells used for household
12 purposes by persons of lower or moderate income.

13 “(c) The replacement of water wells used for household purposes in
14 areas of declining ground water levels where other sources of water
15 for household purposes are not feasible.

16 “(d) The abandonment, repair or replacement of water wells con-
17 sistent with water resources management purposes specified by rule
18 by the commission.

19 “(e) The abandonment, repair or replacement of water wells dam-
20 aged during natural disasters.

21 “(6) If the department provides funding to an institution under
22 subsection (2)(b) of this section, the department shall require that the
23 institution:

24 “(a) Use accounting, auditing and fiscal procedures that conform
25 with generally accepted government accounting standards;

26 “(b) Give preference to persons of lower or moderate income and
27 to small businesses that do not qualify for other financing;

28 “(c) Demonstrate past success in offering, underwriting, servicing
29 and managing loans or grants to:

30 “(A) Persons of lower or moderate income; or

1 **“(B) Persons representing a wide range of qualifications for credit;**
2 **and**

3 **“(d) Have a plan for engaging other stakeholders in outreach and**
4 **marketing efforts for a loan or grant program.**

5 **“(7) The department may enter into contracts, intergovernmental**
6 **agreements or other arrangements with public or private entities for**
7 **any purposes consistent with this section.**

8 **“(8) The commission may adopt rules to implement this section,**
9 **including rules that:**

10 **“(a) Prioritize the issuance of the funding for a purpose described**
11 **in subsection (5) of this section.**

12 **“(b) Establish a preference for providing the funding to individuals**
13 **of moderate or lower income.**

14 **“(c) Establish that the funding may only be provided to individuals**
15 **of moderate or lower income.**

16 **“SECTION 4.** ORS 536.090 is amended to read:

17 **“536.090. (1) In carrying out the duties, functions and powers prescribed**
18 **by law, the Water Resources Commission shall appoint a ground water ad-**
19 **visory committee to:**

20 **“(a) Advise the commission on all matters relating to:**

21 **“(A) Rules for the development, securing, use and protection of ground**
22 **water; and**

23 **“(B) Licensing of well constructors, including the examination of such**
24 **persons for license.**

25 **“(b) Review the proposed expenditure of all revenues generated under**
26 **ORS 537.762 [(5)]. At least once each year, and before the expenditure of such**
27 **funds on new program activities, the Water Resources Department and the**
28 **ground water advisory committee shall develop jointly a proposed expendi-**
29 **ture plan for concurrence by the Water Resources Commission. The plan may**
30 **be modified, if necessary, upon the joint recommendation of the department**

1 and the ground water advisory committee with concurrence by the commis-
2 sion.

3 “(2) The committee shall consist of nine members who represent a range
4 of interests or expertise. At least three of the members shall be individuals
5 actively engaged in some aspect of the water supply or monitoring well
6 drilling industry. Members shall serve for such terms as the commission may
7 specify. The committee shall meet at least once every three months and at
8 other times and places as the commission may specify.

9 “(3) A member of the committee shall not receive compensation, but at
10 the discretion of the commission may be reimbursed for travel expenses in-
11 curred, subject to ORS 292.495.

12 “**SECTION 5.** ORS 536.750 is amended to read:

13 “536.750. (1) Notwithstanding any provision of ORS chapters 536 to 543A,
14 after a declaration that a severe, continuing drought exists, the Water Re-
15 sources Commission may:

16 “(a) Issue without first conducting a hearing under ORS 537.170, a tem-
17 porary permit for an emergency use of water;

18 “(b) Allow a temporary change in use, place of use or point of diversion
19 of water without complying with the notice and waiting requirements under
20 ORS 540.520;

21 “(c) Notwithstanding the priority of water rights, grant preference of use
22 to rights for human consumption or stock watering use;

23 “(d) Waive the notice requirements under ORS 537.753 and the [*report*]
24 **start card** required under ORS 537.762;

25 “(e) Allow a temporary exchange of water without giving notice as re-
26 quired under ORS 540.535; and

27 “(f) Utilize an expedited notice and waiting requirement established by
28 rule for the substitution of a supplemental ground water right for a primary
29 water right under drought conditions in place of the notice and waiting re-
30 quirement provided in ORS 540.524.

1 “(2) The commission by rule may establish procedures for carrying out the
2 provisions of this section and a schedule of fees that must accompany a re-
3 quest under subsection (1) of this section.

4 **“SECTION 6.** ORS 537.747 is amended to read:

5 “537.747. (1) No person shall advertise services to construct, alter, aban-
6 don or convert wells, offer to enter or enter into a contract with another
7 person or public agency to construct, alter, abandon or convert a well for
8 such other person, cause any well construction, alteration, abandonment or
9 conversion to be performed under such a contract or operate well drilling
10 machinery without possessing a water well constructor’s license therefor in
11 good standing issued by the Water Resources Department. The department
12 shall adopt a single water well constructor’s license that may specify the
13 type of well, type of well alteration or construction or type of well drilling
14 machine operation for which the water well constructor is qualified.

15 “(2) Notwithstanding subsection (1) of this section, a person may operate
16 a well drilling machine without a water well constructor’s license if super-
17 vised by one who possesses such a license.

18 “(3) A person shall be qualified to receive a water well constructor’s li-
19 cense if the person:

20 “(a) Is at least 18 years of age.

21 “(b) Has passed a written examination conducted by the department to
22 determine fitness to operate as a water well constructor.

23 “(c) Has paid a license fee and an examination fee according to the fee
24 schedule set forth under subsection (6) of this section.

25 “(d) Has one year or more experience in the operation of well drilling
26 machinery.

27 **“(e) Provides evidence that the person has completed an arc welding**
28 **training course from a community college, received a professional**
29 **welding certification, passed a welding proficiency test or otherwise**
30 **completed professional welding training.**

1 “(4) Upon fulfillment of all the requirements set out in subsection (3) of
2 this section, the department shall issue the applicant a water well
3 constructor’s license in a form prescribed by the department. The license may
4 be issued for a period of two years.

5 “(5) A water well constructor’s license shall expire on June 30 or on such
6 date as may be specified by department rule. A person may renew a license
7 by submitting an application and the appropriate fees any time before the
8 license expires but not later than one year after the license expires. A person
9 who renews a license within the 12 months after the license expires may ei-
10 ther pay a penalty fee set forth under subsection (6)(d) of this section or
11 requalify for a water well constructor’s license in accordance with subsection
12 (3) of this section. If a person fails to renew a license within 12 months after
13 expiration, the person must comply with the requirements of subsection (3)
14 of this section for a new water well constructor’s license.

15 “(6) The department shall collect in advance the following fees:

16 “(a) An examination fee of \$20.

17 “(b) A license fee of \$150.

18 “(c) A renewal fee of \$150, **if the license is renewed on or before the**
19 **expiration date.**

20 “(d) Unless a person requalifies for a water well constructor’s license in
21 accordance with subsection (3) of this section, a water well constructor shall
22 pay a renewal fee of \$250 if [*the*] **an expired** license is renewed [*within*] **on**
23 **or before** 12 months after **the expiration date.**

24 “(e) If a person requalifies for a water well constructor’s license under
25 subsection (3) of this section, the person shall pay the renewal fee estab-
26 lished under paragraph (c) of this subsection.

27 “(7) The department may revoke, suspend or refuse to renew any water
28 well constructor’s license when it appears to the satisfaction of the depart-
29 ment, after notice and opportunity to be heard by the licensee, that the
30 licensee has failed to comply with the provisions of ORS 537.505 to 537.795

1 and 537.992 applicable to such licensee or any order or rule adopted there-
2 under applicable to such licensee, or has made a **material misrepresen-**
3 **tation or** material misstatement of fact on an application for a license or
4 well log or established a pattern of conduct that willfully or negligently vi-
5 olates any provision of ORS 537.505 to 537.795 and 537.992, or any rule
6 adopted pursuant thereto, applicable to such licensee.

7 “(8) The [*provisions of*] **requirement in** subsection (3)(d) of this section
8 [*requiring one year or more experience in the operation of well drilling ma-*
9 *chinery do*] **does** not apply to any person who, on July 1, 1981, holds the li-
10 cense required by this section and who continues thereafter to maintain the
11 license in good standing.

12 “(9) **The requirement in subsection (3)(e) of this section does not**
13 **apply to any person who, on July 1, 2023, holds the license required**
14 **by this section and who continues thereafter to maintain the license**
15 **in good standing.**

16 “(10) **If the department observes a welding deficiency on a well, the**
17 **department may order the licensee who welded the well to, within a**
18 **reasonable time, complete an arc welding training course from a**
19 **community college, acquire a professional welding certification, pass**
20 **a welding proficiency test or otherwise complete professional welding**
21 **training.**

22 “[9] (11) The fees collected under subsection (6) of this section shall be
23 paid into the Water Resources Department Water Right Operating Fund.
24 Such moneys are continuously appropriated to the Water Resources Depart-
25 ment to pay the department’s expenses in administering and enforcing the
26 water well constructor’s licensing program.

27 “**SECTION 7.** ORS 537.753 is amended to read:

28 “537.753. (1) Any person who contracts or offers services to contract to
29 construct, alter, abandon or convert wells shall have in effect a surety bond
30 or an irrevocable letter of credit issued by an insured institution, as defined

1 in ORS 706.008, running to the State of Oregon in the sum of \$20,000, en-
2 suring that in the construction, alteration, abandonment or conversion of
3 wells, the principal shall comply with all the provisions of ORS 537.505 to
4 537.795 and 537.992 that are applicable to such construction, alteration,
5 abandonment or conversion and to the rules and standards of well con-
6 struction, alteration, abandonment and conversion that have been prescribed
7 by the Water Resources Commission. The bond or letter of credit shall be
8 filed with the Water Resources Commission.

9 “(2) The Water Resources Commission or any person injured by failure
10 of a water well constructor to comply with the provisions of the bond or
11 letter of credit has a right of action on the bond or letter of credit in the
12 name of the injured person. However, the aggregate liability of the surety
13 or letter of credit issuer to all such persons may not exceed the sum of the
14 bond or letter of credit.

15 “(3) A proceeding against the bond or letter of credit under subsection (2)
16 of this section may not be commenced unless the commission notifies the
17 water well constructor of the alleged violation within three years after the
18 date the water well report is filed with the commission.

19 “(4) If a well is to be constructed, altered, abandoned or converted by a
20 person that is not licensed under ORS 537.747 on property owned by that
21 person, the person shall obtain a permit from the commission before begin-
22 ning work. Application for the permit shall be in the form prescribed by the
23 commission and must be accompanied by a fee of \$500. At the time [*the per-*
24 *mit is obtained,*] **of filing the permit,** the applicant also shall [*file with*]
25 **submit to** the commission a bond or an irrevocable letter of credit issued
26 by an insured institution as defined in ORS 706.008 running to the State of
27 Oregon in the sum of \$10,000, ensuring that in the construction, alteration,
28 abandonment or conversion of the well the landowner shall comply with all
29 the provisions of ORS 537.505 to 537.795 and 537.992 that are applicable to
30 the construction, alteration, abandonment or conversion of wells and to the

1 rules and standards of well construction, alteration, abandonment and con-
2 version that have been prescribed by the commission. Before the person who
3 constructs, alters, abandons or converts a well referred to in this subsection
4 seals the well, the person must give 10 days' written notice [*of the con-*
5 *struction, alteration, abandonment or conversion to the commission*] **to the**
6 **Water Resources Department so department personnel can be present**
7 **to observe the work.** After expiration of the notice period, the well may
8 be sealed even if the [*commission*] **department** has not caused the well to
9 be inspected.

10 **“SECTION 8.** ORS 537.762 is amended to read:

11 **“537.762. (1) As used in this section:**

12 **“(a) ‘Licensed or permitted person’ means a person licensed under**
13 **ORS 537.747 or permitted under ORS 537.753 (4).**

14 **“(b) ‘Start card’ means a form containing all information required**
15 **by the Water Resources Department as a notification that a licensed**
16 **or permitted person will commence work on a well.**

17 **“[(1)] (2) Each [*person required to possess a license under ORS 537.747*]**
18 **licensed or permitted person** who has entered into a contract to construct,
19 alter, abandon or convert a well or cause a well to be constructed, altered,
20 abandoned or converted shall, **not earlier than 60 days and not later than**
21 **72 hours** before beginning work on the well, [*make a report*] **submit a start**
22 **card** to the [*Water Resources Commission*] **department** containing:

23 **“(a) The name and post-office address of the owner of the well.**

24 **“(b) The approximate location of the well.**

25 **“(c) The proposed depth and diameter of the well.**

26 **“(d) The proposed purpose or use of the ground water from the well.**

27 **“[(2) The commission shall furnish a convenient means for submitting the**
28 **reports referred to in subsection (1) of this section to each person who possesses**
29 **a license under ORS 537.747.]**

30 **“(3) The department shall furnish a convenient means for licensed**

1 **or permitted persons to submit start card information under this sec-**
2 **tion.**

3 “[~~(3)~~] **(4)** A separate [*report shall be furnished under subsection (1) of this*
4 *section*] **start card is required** for each well that is constructed, altered,
5 abandoned or converted.

6 “[~~(4)~~] **(5)** [*The report furnished under subsection (1) of*] **A start card**
7 **submitted under** this section shall be confidential and maintained as such
8 for one year or until the well log required under ORS 537.765 is received by
9 the [*commission*] **department**, whichever is earlier. Nothing in this sub-
10 section prohibits the [*commission*] **department** from using [*the report*] **a**
11 **start card** for enforcement actions during the period the [*report*] **start card**
12 is [*considered*] confidential.

13 “[~~(5)~~] **(6)** Each [*report form*] **start card** submitted under [*subsection (1)*
14 *of*] this section for the construction of a new well, deepening of an existing
15 well[,] or conversion of a well shall be accompanied by a fee of [~~[\$225]~~] **\$350**.
16 Notwithstanding the fee established pursuant to this subsection, the com-
17 mission may adopt by rule a reduced fee for persons submitting materials to
18 the Water Resources Department in a digital format approved by the de-
19 partment.

20 “[~~(6)~~] **(7)** The moneys paid to the [*commission*] **department** under sub-
21 section [~~(5)~~] **(6)** of this section shall be paid into the Water Resources De-
22 partment Operating Fund. All interest, if any, from moneys received under
23 subsection [~~(5)~~] **(6)** of this section shall inure to the benefit of the [*Water*
24 *Resources*] department. Such moneys and interest earned on such moneys
25 are continuously appropriated to the department to be used to pay the costs
26 of the department to employ personnel to inspect wells and well con-
27 struction.

28 **“SECTION 9.** ORS 537.762, as amended by section 8 of this 2021 Act, is
29 amended to read:

30 “537.762. (1) As used in this section:

1 “(a) ‘Licensed or permitted person’ means a person licensed under ORS
2 537.747 or permitted under ORS 537.753 (4).

3 “(b) ‘Start card’ means a form containing all information required by the
4 Water Resources Department as a notification that a licensed or permitted
5 person will commence work on a well.

6 “(2) Each licensed or permitted person who has entered into a contract
7 to construct, alter, abandon or convert a well or cause a well to be con-
8 structed, altered, abandoned or converted shall, not earlier than 60 days and
9 not later than 72 hours before beginning work on the well, submit a start
10 card to the department containing:

11 “(a) The name, **telephone number, electronic mail address** and post-
12 office address of the owner of the well.

13 “(b) The approximate location of the well **by county tax lot number,**
14 **township, range, section and nearest quarter-quarter section.**

15 “(c) **The street address nearest to the proposed well.**

16 “(d) **The latitude and longitude of the well as established by a global**
17 **positioning system.**

18 “[(c)] (e) The proposed depth and diameter of the well.

19 “[(d)] (f) The proposed purpose or use of the ground water from the **pro-**
20 **posed** well.

21 “(g) **The time frame proposed for beginning and completing the**
22 **construction, alteration, abandonment or conversion.**

23 “(h) **The time frame proposed for annular seal placement.**

24 “(i) **The well identification label number, if assigned.**

25 “(j) **The water right application, permit or certificate number, if**
26 **applicable.**

27 “(k) **The original well log number, if applicable.**

28 “(L) **The type of work proposed.**

29 “(m) **Notification of any need for special standards.**

30 “(n) **The signature and license number, if applicable, of the bonded,**

1 **licensed or permitted person who would undertake the work.**

2 **“(o) For an existing well, the current purpose of use of the well and**
3 **the existing depth and diameter of the well.**

4 **“(3) The department shall furnish a convenient means for licensed or**
5 **permitted persons to submit start card information under this section.**

6 **“(4) A separate start card is required for each well that is constructed,**
7 **altered, abandoned or converted.**

8 **“(5) A start card submitted under this section shall be confidential and**
9 **maintained as such for one year or until the well log required under ORS**
10 **537.765 is received by the department, whichever is earlier. Nothing in this**
11 **subsection prohibits the department from using a start card for enforcement**
12 **actions during the period the start card is confidential.**

13 **“(6) On the date that work on the well commences, the licensed or**
14 **permitted person shall, before commencing work, notify the depart-**
15 **ment that the work is about to commence. If the proposed date of seal**
16 **placement is not the date proposed on the start card required by ORS**
17 **537.762, the licensed or permitted person shall notify the department**
18 **of the change at least four hours before placing the seal.**

19 **“(7) The Water Resources Commission may adopt rules establishing**
20 **precision requirements and standards for global positioning system**
21 **equipment used to obtain information submitted under subsection (2)**
22 **of this section.**

23 **“(8) Unless the licensed or permitted person submitting a start card**
24 **under this section has requested and received an extension, a start**
25 **card expires if construction, alteration, abandonment or conversion**
26 **of a well does not begin on or before 60 days after submission of the**
27 **start card. If a start card expires, a new start card and fee must be**
28 **submitted in compliance with this section before construction, alter-**
29 **ation, abandonment or conversion of the well may occur. If a start**
30 **card is withdrawn before expiring, the licensed or permitted person**

1 that submitted the start card may request that the fee paid for the
2 withdrawn start card be transferred to a new start card.

3 “(9) The commission may establish by rule an exception to any time
4 frame established in this section for water wells drilled on the same
5 tax lot, water emergencies, casing height adjustments, areas requiring
6 special standards or any other purpose identified by the commission.
7 The Water Resources Director may, for good cause in exigent cir-
8 cumstances, waive any time frame established by this section.

9 “[6] (10) Each start card submitted under this section for the con-
10 struction of a new well, deepening of an existing well or conversion of a well
11 shall be accompanied by a fee of \$350. *[Notwithstanding the fee established*
12 *pursuant to this subsection, the commission may adopt by rule a reduced fee*
13 *for persons submitting materials to the Water Resources Department in a*
14 *digital format approved by the department.]*

15 “[7] (11) The moneys paid to the department under subsection [(6)] (10)
16 of this section shall be paid into the Water Resources Department Operating
17 Fund. All interest, if any, from moneys received under subsection [(6)] (10)
18 of this section shall inure to the benefit of the department. Such moneys and
19 interest earned on such moneys are continuously appropriated to the de-
20 partment to be used to pay the costs of the department to employ personnel
21 to inspect wells and well construction.

22 “**SECTION 10.** ORS 537.762, as amended by sections 8 and 9 of this 2021
23 Act, is amended to read:

24 “537.762. (1) As used in this section:

25 “(a) ‘Licensed or permitted person’ means a person licensed under ORS
26 537.747 or permitted under ORS 537.753 (4).

27 “(b) ‘Start card’ means a form containing all information required by the
28 Water Resources Department as a notification that a licensed or permitted
29 person will commence work on a well.

30 “(2) Each licensed or permitted person who has entered into a contract

1 to construct, alter, abandon or convert a well or cause a well to be con-
2 structed, altered, abandoned or converted shall, not earlier than 60 days and
3 not later than 72 hours before beginning work on the well, submit a start
4 card to the department containing:

5 “(a) The name, telephone number, electronic mail address and post-office
6 address of the owner of the well.

7 “(b) The approximate location of the well by county tax lot number,
8 township, range, section and nearest quarter-quarter section.

9 “(c) The street address nearest to the proposed well.

10 “(d) The latitude and longitude of the well as established by a global po-
11 sitioning system.

12 “(e) The proposed depth and diameter of the well.

13 “(f) The proposed purpose or use of the ground water from the proposed
14 well.

15 “(g) The time frame proposed for beginning and completing the con-
16 struction, alteration, abandonment or conversion.

17 “(h) The time frame proposed for annular seal placement.

18 “(i) The well identification label number, if assigned.

19 “(j) The water right application, permit or certificate number, if applica-
20 ble.

21 “(k) The original well log number, if applicable.

22 “(L) The type of work proposed.

23 “(m) Notification of any need for special standards.

24 “(n) The signature and license number, if applicable, of the bonded, li-
25 censed or permitted person who would undertake the work.

26 “(o) For an existing well, the current purpose of use of the well and the
27 existing depth and diameter of the well.

28 “(3) The department shall furnish a convenient means for licensed or
29 permitted persons to submit start card information under this section.

30 “(4) A separate start card is required for each well that is constructed,

1 altered, abandoned or converted.

2 “(5) A start card submitted under this section shall be confidential and
3 maintained as such for one year or until the well log required under ORS
4 537.765 is received by the department, whichever is earlier. Nothing in this
5 subsection prohibits the department from using a start card for enforcement
6 actions during the period the start card is confidential.

7 “(6) On the date that work on the well commences, the licensed or per-
8 mitted person shall, before commencing work, notify the department that the
9 work is about to commence. If the proposed date of seal placement is not the
10 date proposed on the start card required by ORS 537.762, the licensed or
11 permitted person shall notify the department of the change at least four
12 hours before placing the seal.

13 “(7) The Water Resources Commission may adopt rules establishing pre-
14 cision requirements and standards for global positioning system equipment
15 used to obtain information submitted under subsection (2) of this section.

16 “(8) Unless the licensed or permitted person submitting a start card under
17 this section has requested and received an extension, a start card expires if
18 construction, alteration, abandonment or conversion of a well does not begin
19 on or before 60 days after submission of the start card. If a start card ex-
20 pires, a new start card and fee must be submitted in compliance with this
21 section before construction, alteration, abandonment or conversion of the
22 well may occur. If a start card is withdrawn before expiring, the licensed or
23 permitted person that submitted the start card may request that the fee paid
24 for the withdrawn start card be transferred to a new start card.

25 “(9) The commission may establish by rule an exception to any time frame
26 established in this section for water wells drilled on the same tax lot, water
27 emergencies, casing height adjustments, areas requiring special standards or
28 any other purpose identified by the commission. The Water Resources Di-
29 rector may, for good cause in exigent circumstances, waive any time frame
30 established by this section.

1 “(10) Each start card submitted under this section for the construction
2 of a new well, deepening of an existing well or conversion of a well shall
3 be accompanied by a fee of \$350. **A start card shall be submitted to the**
4 **department by electronic means, unless the department authorizes a**
5 **different means of submission.**

6 “(11) The moneys paid to the department under subsection (10) of this
7 section shall be paid into the Water Resources Department Operating Fund.
8 All interest, if any, from moneys received under subsection (10) of this sec-
9 tion shall inure to the benefit of the department. Such moneys and interest
10 earned on such moneys are continuously appropriated to the department to
11 be used to pay the costs of the department to employ personnel to inspect
12 wells and well construction.

13 **“SECTION 11.** ORS 537.765 is amended to read:

14 **“537.765. (1) As used in this section, ‘licensed or permitted person’**
15 **means a person licensed under ORS 537.747 or permitted under ORS**
16 **537.753 (4).**

17 **“[(1)] (2) The business or activity of constructing new wells or altering,**
18 **abandoning or converting existing wells is declared to be a business or ac-**
19 **tivity affecting the public welfare, health and safety. In order to enable the**
20 **state to protect the welfare, health and safety of its [citizens,] residents, any**
21 **[person licensed under ORS 537.747, or any person or public agency con-**
22 **structing, altering, abandoning or converting a well,] licensed or permitted**
23 **person shall keep a log of each well constructed, altered, abandoned or**
24 **converted and shall [furnish] file a certified copy of the log [to] with the**
25 **Water Resources [Commission] Department within 30 days after the com-**
26 **pletion of the construction, alteration, abandonment or conversion.**

27 **“[(2)] (3) The [commission] department shall provide to a licensed or**
28 **permitted person acknowledgment [to the constructor] of receipt of a well**
29 **log submitted under [subsection (1) of] this section within 120 days of receipt.**

30 **“[(3)] (4) Each log [required under subsection (1) of] that a licensed or**

1 **permitted person files under** this section shall be in a form prescribed by
2 the [commission] **department** and shall show:

3 “(a) The name and post-office address of the owner of the well.

4 “(b) **The name and license number, if applicable, of [and] the li-**
5 **censed or permitted** person [or public agency] performing or causing the
6 performance of the work [of constructing, altering, abandoning or converting
7 the well].

8 “[b] (c) The location of the well by county tax lot number, township,
9 range and section, and to the nearest quarter-quarter section or latitude and
10 longitude as established by a global positioning system, or with reference to
11 government survey corners or monuments or corners of recorded plats.

12 “[c] (d) The dates of commencement and completion of the work of
13 constructing, altering, abandoning or converting the well.

14 “[d] (e) The depth, diameter and type of the well.

15 “[e] (f) The kind and amount of the casing and where placed in the well,
16 including the number and location of perforations or screens.

17 “[f] (g) The flow in cubic feet per second or gallons per minute of a
18 flowing well, and the shut-in pressure in pounds per square inch.

19 “[g] (h) The static water level with reference to the land surface, and
20 the drawdown with respect to the amount of water pumped per minute, when
21 a pump test is made.

22 “[h] (i) The kind and nature of the material in each stratum penetrated,
23 with at least one entry for each change of formation, and the thickness of
24 aquifers.

25 “[i] (j) The temperature of the ground water encountered and other
26 characteristics of the ground water in detail as required by the
27 [commission] **department**.

28 “[4] (5) If required by the [commission] **department**, the [person, public
29 agency or licensee referred to in subsection (1) of this section] **licensed or**
30 **permitted person** shall furnish to the [commission] **department** samples of

1 the ground water and of each change of formation in containers furnished
2 and transportation expense paid by the [commission] **department.**

3 **“(6) Not later than 120 days after a well log is submitted pursuant**
4 **to this section, the department shall:**

5 **“(a) Review the well log to identify any deficiencies and assess**
6 **compliance with the standards that were in effect when the well that**
7 **is the subject of the well log was constructed, altered, abandoned or**
8 **converted.**

9 **“(b) Notify the licensed or permitted person who submitted the well**
10 **log that the review has been completed.**

11 **“SECTION 12.** ORS 537.765, as amended by section 11 of this 2021 Act,
12 is amended to read:

13 “537.765. (1) As used in this section, ‘licensed or permitted person’ means
14 a person licensed under ORS 537.747 or permitted under ORS 537.753 (4).

15 “(2) The business or activity of constructing new wells or altering, aban-
16 doning or converting existing wells is declared to be a business or activity
17 affecting the public welfare, health and safety. In order to enable the state
18 to protect the welfare, health and safety of its residents, any licensed or
19 permitted person shall keep a log of each well constructed, altered, aban-
20 doned or converted and shall file a certified copy of the log with the Water
21 Resources Department within 30 days after the completion of the con-
22 struction, alteration, abandonment or conversion.

23 “(3) The department shall provide to a licensed or permitted person ac-
24 knowledgment of receipt of a well log submitted under this section within
25 120 days of receipt.

26 “(4) Each log that a licensed or permitted person files under this section
27 shall be in a form prescribed by the department and shall show:

28 “(a) The name and post-office address of the owner of the well.

29 “(b) The name and license number, if applicable, of the licensed or per-
30 mitted person performing or causing the performance of the work.

1 “(c) **The name and license number, if applicable, of the licensed or**
2 **permitted person responsible for performing or causing the perform-**
3 **ance of the work.**

4 “(d) **The names of any persons that assisted with the work.**

5 “[(c)] (e) The location of the well by county tax lot number, township,
6 range and section, and to the nearest quarter-quarter section, **and by the**
7 [or] latitude and longitude as established by a global positioning system[, or
8 *with reference to government survey corners or monuments or corners of re-*
9 *corded plats*].

10 “[(d)] (f) The dates of commencement and completion of the work of
11 constructing, altering, abandoning or converting the well.

12 “[(e)] (g) The depth, diameter and type of the well.

13 “[(f)] (h) The kind and amount of the casing and where placed in the well,
14 including the number and location of perforations or screens.

15 “[(g)] (i) The flow in cubic feet per second or gallons per minute of a
16 flowing well, and the shut-in pressure in pounds per square inch.

17 “[(h)] (j) The static water level with reference to the land surface, and
18 the drawdown with respect to the amount of water pumped per minute, when
19 a pump test is made.

20 “[(i)] (k) The kind and nature of the material in each stratum penetrated,
21 with at least one entry for each change of formation, and the thickness of
22 aquifers.

23 “[(j)] (L) The temperature of the ground water encountered and other
24 characteristics of the ground water in detail as required by the department.

25 “(5) If required by the department, the licensed or permitted person shall
26 furnish to the department samples of the ground water and of each change
27 of formation in containers furnished and transportation expense paid by the
28 department.

29 “(6) Not later than 120 days after a well log is submitted pursuant to this
30 section, the department shall:

1 “(a) Review the well log to identify any deficiencies and assess compli-
2 ance with the standards that were in effect when the well that is the subject
3 of the well log was constructed, altered, abandoned or converted.

4 “(b) Notify the licensed or permitted person who submitted the well log
5 that the review has been completed.

6 **“(7) The Water Resources Commission may adopt rules establishing**
7 **precision requirements and standards for global positioning system**
8 **equipment used to obtain information submitted under subsection**
9 **(4)(e) of this section.**

10 **“SECTION 13.** ORS 537.765, as amended by sections 11 and 12 of this 2021
11 Act, is amended to read:

12 “537.765. (1) As used in this section, ‘licensed or permitted person’ means
13 a person licensed under ORS 537.747 or permitted under ORS 537.753 (4).

14 “(2) The business or activity of constructing new wells or altering, aban-
15 doning or converting existing wells is declared to be a business or activity
16 affecting the public welfare, health and safety. In order to enable the state
17 to protect the welfare, health and safety of its residents, any licensed or
18 permitted person shall keep a log of each well constructed, altered, aban-
19 doned or converted and shall **electronically** file a certified copy of the log
20 with the Water Resources Department within 30 days after the completion
21 of the construction, alteration, abandonment or conversion.

22 “(3) The department shall provide to a licensed or permitted person ac-
23 knowledgment of receipt of a well log **electronically** submitted under this
24 section within 120 days of receipt.

25 “(4) Each log that a licensed or permitted person files under this section
26 shall be in a form prescribed by the department and shall show:

27 “(a) The name and post-office address of the owner of the well.

28 “(b) The name and license number, if applicable, of the licensed or per-
29 mitted person performing or causing the performance of the work.

30 “(c) The name and license number, if applicable, of the licensed or per-

1 mitted person responsible for performing or causing the performance of the
2 work.

3 “(d) The names of any persons that assisted with the work.

4 “(e) The location of the well by county tax lot number, township, range
5 and section, and to the nearest quarter-quarter section, and by the latitude
6 and longitude as established by a global positioning system.

7 “(f) The dates of commencement and completion of the work of con-
8 structing, altering, abandoning or converting the well.

9 “(g) The depth, diameter and type of the well.

10 “(h) The kind and amount of the casing and where placed in the well,
11 including the number and location of perforations or screens.

12 “(i) The flow in cubic feet per second or gallons per minute of a flowing
13 well, and the shut-in pressure in pounds per square inch.

14 “(j) The static water level with reference to the land surface, and the
15 drawdown with respect to the amount of water pumped per minute, when a
16 pump test is made.

17 “(k) The kind and nature of the material in each stratum penetrated, with
18 at least one entry for each change of formation, and the thickness of
19 aquifers.

20 “(L) The temperature of the ground water encountered and other charac-
21 teristics of the ground water in detail as required by the department.

22 “(5) If required by the department, the licensed or permitted person shall
23 furnish to the department samples of the ground water and of each change
24 of formation in containers furnished and transportation expense paid by the
25 department.

26 “(6) Not later than 120 days after a well log is submitted pursuant to this
27 section, the department shall:

28 “(a) Review the well log to identify any deficiencies and assess compli-
29 ance with the standards that were in effect when the well that is the subject
30 of the well log was constructed, altered, abandoned or converted.

1 “(b) Notify the licensed or permitted person who submitted the well log
2 that the review has been completed.

3 “(7) The Water Resources Commission may adopt rules establishing pre-
4 cision requirements and standards for global positioning system equipment
5 used to obtain information submitted under subsection (4)(e) of this section.

6 “(8) **The commission may adopt rules that waive the electronic**
7 **submittal requirement.**

8 “**SECTION 14.** ORS 537.780 is amended to read:

9 “537.780. (1) In the administration of ORS 537.505 to 537.795 and 537.992,
10 the Water Resources Commission may:

11 “(a) Require that all flowing wells be capped or equipped with valves so
12 that the flow of ground water may be completely stopped when the ground
13 water is not actually being applied to a beneficial use.

14 “(b) Enforce:

15 “(A) General standards for the construction [*and*], **alteration, abandon-**
16 **ment, conversion or** maintenance of wells and their casings, fittings,
17 valves, pumps and back-siphoning prevention devices; and

18 “(B) Special standards for the construction [*and*], **alteration, abandon-**
19 **ment, conversion or** maintenance of particular wells and their casings,
20 fittings, valves and pumps.

21 “(c)(A) Adopt by rule and enforce when necessary to protect the ground
22 water resource, standards for the construction, maintenance, abandonment
23 or use of any hole through which ground water may be contaminated; or

24 “(B) Enter into an agreement with, or advise, other state agencies that
25 are responsible for holes other than wells through which ground water may
26 be contaminated in order to protect the ground water resource from con-
27 tamination.

28 “(d) Enforce uniform standards for the scientific measurement of water
29 levels and of ground water flowing or withdrawn from wells.

30 “(e) Enter upon any lands for the purpose of inspecting wells, including

1 wells exempt under ORS 537.545, casings, fittings, valves, pipes, pumps,
2 measuring devices and back-siphoning prevention devices.

3 “(f) Prosecute actions and suits to enjoin violations of ORS 537.505 to
4 537.795 and 537.992, and appear and become a party to any action, suit or
5 proceeding in any court or before any administrative body when it appears
6 to the satisfaction of the commission that the determination of the action,
7 suit or proceeding might be in conflict with the public policy expressed in
8 ORS 537.525.

9 “(g) Call upon and receive advice and assistance from the Environmental
10 Quality Commission or any other public agency or any person, and enter into
11 cooperative agreements with a public agency or person.

12 “(h) Adopt and enforce rules necessary to carry out the provisions of ORS
13 537.505 to 537.795 and 537.992 including but not limited to rules governing:

14 “(A) The form and content of registration statements, certificates of reg-
15 istration, applications for permits, permits, certificates of completion, ground
16 water right certificates, notices, proofs, maps, drawings, logs and licenses;

17 “(B) Procedure in hearings held by the commission; and

18 “(C) The circumstances under which the helpers of persons operating well
19 drilling machinery may be exempt from the requirement of direct supervision
20 by a licensed water well constructor.

21 “(i) In accordance with applicable law regarding search and seizure, apply
22 to any court of competent jurisdiction for a warrant to seize any well drill-
23 ing machine used in violation of ORS 537.747 or 537.753.

24 “(2) Notwithstanding any provision of subsection (1) of this section, in
25 administering the provisions of ORS 537.505 to 537.795 and 537.992, the com-
26 mission may not:

27 “(a) Adopt any rule restricting ground water use in an area unless the
28 rule is based on substantial evidence in the record of the Water Resources
29 Department to justify the imposition of restrictions.

30 “(b) Make any determination that a ground water use will impair, sub-

1 stantially interfere or unduly interfere with a surface water source unless
2 the determination is based on substantial evidence. Such evidence may in-
3 clude reports or studies prepared with relation to the specific use or may be
4 based on the application of generally accepted hydrogeological principles to
5 the specific use.

6 “(3) At least once every three years, the commission shall review any rule
7 adopted under subsection (2) of this section that restricts ground water use
8 in an area. The review process shall include public notice and an opportunity
9 to comment on the rule.

10 “**SECTION 15.** ORS 537.789 is amended to read:

11 “537.789. *[(1) The well identification number provided by the Water Re-*
12 *sources Department when the reporting requirement of ORS 537.762 is satisfied*
13 *shall be recorded on the well by a person licensed under ORS 537.747 within*
14 *30 days after the associated well work is completed.]*

15 “(1) **As used in this section, ‘licensed or permitted person’ means a**
16 **person licensed under ORS 537.747 or permitted under ORS 537.753 (4).**

17 “(2) **A licensed or permitted person who files a well log under ORS**
18 **537.765 shall include on the well log the identification number provided**
19 **by the Water Resources Department. The licensed or permitted person**
20 **shall affix the identification number to the well no later than 30 days**
21 **after completing work on the well.**

22 “~~[(2)]~~ (3) If a well does not have an identification number *[recorded on]*
23 **affixed to** it at the time the property upon which the well is located is
24 transferred, the owner of the property shall *[record on]* **affix to** the well the
25 identification number obtained from the *[Water Resources]* department under
26 ORS 537.791 within 30 days.

27 “~~[(3)]~~ (4) The identification number *[on]* **affixed to** the well shall be
28 clearly visible to a person looking for the number and shall meet minimum
29 standards as recommended by the ground water advisory committee ap-
30 pointed under ORS 536.090 and adopted by the Water Resources Commission.

1 **“SECTION 16.** ORS 537.791 is amended to read:

2 “537.791. (1) A landowner may apply to the Water Resources Department
3 for a number to identify a well on the landowner’s property.

4 “[(2) *The Water Resources Department shall issue a number to identify a*
5 *well that has not received a number through the reporting process required for*
6 *wells under ORS 537.762 within 10 days after receipt of the application.*]

7 **“(2) If the department has not previously assigned an identification**
8 **number to the well, no later than 10 days after receiving an application**
9 **under this section, the department shall assign an identification**
10 **number to the well.**

11 **“SECTION 17.** Section 2, chapter 496, Oregon Laws 2001, is amended to
12 read:

13 **“Sec. 2.** (1) There is established a Well Constructors Continuing Educa-
14 tion Committee consisting of [*four*] **six** members appointed by the Water
15 Resources Director as follows:

16 **“(a) One person representing the Water Resources Department;**

17 “[(a)] **(b)** Three persons from the well drilling industry licensed pursuant
18 to ORS 537.747; [*and*]

19 “[(b) *One person from the regulatory community.*]

20 **“(c) One person having expertise in ground water quality or public**
21 **health; and**

22 **“(d) One person having expertise in employee safety.**

23 “(2) The term of office of each member is three years, but a member serves
24 at the pleasure of the director. Before the expiration of the term of a mem-
25 ber, the director shall appoint a successor whose term begins on July 1 next
26 following. A member is eligible for reappointment. If there is a vacancy for
27 any cause, the director shall make an appointment to become effective im-
28 mediately for the unexpired term.

29 “(3) A member of the committee is entitled to travel expenses as provided
30 in ORS 292.495.

1 “(4) Members of the committee must be residents of this state who are
2 knowledgeable about the principles of well construction.

3 “(5) The committee shall select one of its members as chairperson and
4 another as vice chairperson, for such terms and with the duties and powers
5 necessary for the performance of the functions of such offices as the com-
6 mittee determines.

7 “(6) [*Three*] **Four** members of the committee constitute a quorum for the
8 transaction of business. At least [*three*] **four** members of the committee must
9 approve all official actions or decisions of the committee.

10 **“SECTION 18.** Section 7, chapter 496, Oregon Laws 2001, as amended by
11 section 3, chapter 221, Oregon Laws 2007, and section 1, chapter 57, Oregon
12 Laws 2014, is amended to read:

13 **“Sec. 7.** Sections 2 and 4, chapter 496, Oregon Laws 2001, are repealed
14 January 2, [2022] **2030.**

15 **“SECTION 19.** **If the Water Resources Department has information**
16 **that a person has engaged, or is about to engage, in any activity that**
17 **is or will be a violation of ORS 537.747, 537.753, 537.762 or 537.765, in**
18 **addition to any other available remedies, the department may apply**
19 **to the circuit court for Marion County, or to the circuit court for any**
20 **county in which the activity has occurred or will occur, for a tempo-**
21 **rary or permanent injunction requiring the person to:**

22 **“(1) Refrain from the activity; and**

23 **“(2) Take any actions necessary to remedy any threat to**
24 **groundwater supplies, public health or public safety.**

25 **“SECTION 20.** ORS 537.545 is amended to read:

26 **“537.545. (1) No registration, certificate of registration, application for a**
27 **permit, permit, certificate of completion or ground water right certificate**
28 **under ORS 537.505 to 537.795 and 537.992 is required for the use of ground**
29 **water for:**

30 **“(a) Stockwatering purposes;**

1 “(b) Watering any lawn or noncommercial garden not exceeding one-half
2 acre in area;

3 “(c) Watering the lawns, grounds and fields not exceeding 10 acres in area
4 of schools located within a critical ground water area established pursuant
5 to ORS 537.730 to 537.740;

6 “(d) Single or group domestic purposes in an amount not exceeding 15,000
7 gallons a day;

8 “(e) Down-hole heat exchange purposes;

9 “(f) Any single industrial or commercial purpose in an amount not ex-
10 ceeding 5,000 gallons a day; or

11 “(g) Land application, so long as the ground water:

12 “(A) Has first been appropriated and used under a permit or certificate
13 issued under ORS 537.625 or 537.630 for a water right issued for industrial
14 purposes or a water right authorizing use of water for confined animal
15 feeding purposes;

16 “(B) Is reused for irrigation purposes and the period of irrigation is a
17 period during which the reused water has never been discharged to the wa-
18 ters of the state; and

19 “(C) Is applied pursuant to a permit issued by the Department of Envi-
20 ronmental Quality or the State Department of Agriculture under either ORS
21 468B.050 to construct and operate a disposal system or ORS 468B.215 to op-
22 erate a confined animal feeding operation.

23 “(2) A ground water use for a purpose that is exempt under subsection (1)
24 of this section, to the extent that the use is beneficial, constitutes a right
25 to appropriate ground water equal to that established by a ground water
26 right certificate issued under ORS 537.700.

27 “(3) Except for the use of water under subsection (1)(g) of this section,
28 the Water Resources Commission by rule may require any person or public
29 agency using ground water for any such purpose to furnish information with
30 regard to such ground water and the use thereof. For a use of water de-

1 scribed in subsection (1)(g) of this section, the Department of Environmental
2 Quality or the State Department of Agriculture shall provide to the Water
3 Resources Department a copy of the permit issued under ORS 468B.050 or
4 468B.215 authorizing the land application of ground water for reuse. The
5 permit shall provide the information regarding the place of use of such water
6 and the nature of the beneficial reuse.

7 “(4) If it is necessary for the Water Resources Department to regulate the
8 use or distribution of ground water, including uses for purposes that are
9 exempt under subsection (1) of this section, the department shall use as a
10 priority date for the exempt uses the date indicated in the log for the well
11 filed with the department under ORS 537.765 or other documentation pro-
12 vided by the well owner showing when water use began.

13 “(5) The *[owner of land on which a well is drilled]* **person licensed under**
14 **ORS 537.747 or permitted under ORS 537.753 (4) that constructs a well**
15 to allow ground water use for a purpose that is exempt under subsection (1)
16 of this section shall provide the Water Resources Department with a map
17 showing the exact location of the well on the tax lot. The *[landowner]* **per-**
18 **son licensed under ORS 537.747 or permitted under ORS 537.753 (4) that**
19 **constructs a well** shall provide a map required by this subsection to the
20 department, **along with the well log required by ORS 537.765**, no later
21 than 30 days after the well is completed. The map must be prepared in ac-
22 cordance with standards established by the department. **The map and well**
23 **log must be accompanied by the fee described in subsection (6) of this**
24 **section to record the exempt ground water use.**

25 “[*(6) The owner of land on which a well described in subsection (5) of this*
26 *section is located shall file the exempt ground water use with the Water Re-*
27 *sources Department for recording. The filing must be accompanied by the fee*
28 *described in subsection (7) of this section. The filing must be received by the*
29 *department no later than 30 days after the well is completed.*.]

30 “[*(7)*] **(6)** The Water Resources Department shall collect a fee of \$300 for

1 recording an exempt ground water use under subsection [(6)] (5) of this sec-
2 tion. Moneys from fees collected under this subsection shall be deposited to
3 the credit of the Water Resources Department Water Right Operating Fund.
4 Notwithstanding ORS 536.009, moneys deposited to the fund under this sub-
5 section shall be used for the purposes of evaluating ground water supplies,
6 conducting ground water studies, carrying out ground water monitoring,
7 processing ground water data and the administration and enforcement of this
8 subsection and subsections (3), (5)[, (6)] and [(8)] (7) of this section.

9 “[8)] (7) The Water Resources Commission shall adopt rules to imple-
10 ment, administer and enforce subsections (5) [to (7)] **and (6)** of this section.

11 **“SECTION 20a.** ORS 536.900 is amended to read:

12 “536.900. (1) In addition to any other liability or penalty provided by law,
13 the Water Resources Commission may impose a civil penalty on a person for
14 any of the following:

15 “(a) Violation of any of the terms or conditions of a permit, certificate
16 or license issued under ORS chapters 536 to 543A.

17 “(b) Violation of ORS 537.130 or 537.535.

18 “(c) Violation of ORS 537.545 (5) [or (6)] or of a rule described in ORS
19 537.545 [(8)] (7).

20 “(d) Violation of any rule or order of the Water Resources Commission
21 that pertains to well maintenance.

22 “(e) Violation of ORS 540.045, 540.145, 540.210, 540.310, 540.320, 540.330,
23 540.340, 540.435, 540.440, 540.570 (5), 540.710, 540.720 and 540.730 or rules
24 adopted under ORS 540.145.

25 “(2) A civil penalty may be imposed under this section for each day of
26 violation of ORS 537.130, 537.535, 540.045, 540.310, 540.330, 540.570 (5), 540.710,
27 540.720 or 540.730.

28 “(3) In the event the petitioner knowingly misrepresents the map and pe-
29 tition required in ORS 541.329, the commission may assess a penalty of up
30 to \$1,000 based upon guidelines to be established by the commission. In ad-

1 dition, the petition and map shall be amended to correct the error at the
2 petitioner’s cost. Affected users shall be given notice as provided in ORS
3 541.329 (5).

4 “(4) A civil penalty may not be imposed until the commission prescribes
5 a reasonable time to eliminate the violation. The commission shall notify the
6 violator of the time allowed to correct a violation within five days after the
7 commission first becomes aware of the violation.

8 “(5) Notwithstanding any term or condition of a permit, certificate or li-
9 cense, the rotation of the use of water under ORS 540.150 may not be con-
10 sidered a violation under subsection (1) of this section.

11 **“SECTION 21.** ORS 537.763 is amended to read:

12 “537.763. (1) There is established in the State Treasury the Water Re-
13 sources Department Operating Fund to provide for the payment of the ad-
