

Requested by Representative WILDE

**PROPOSED AMENDMENTS TO
HOUSE BILL 2290**

1 On page 1 of the printed bill, line 2, after “ORS” insert “366.395 and”.

2 Delete lines 4 through 16 and insert:

3 **“SECTION 1. (1) The State Parks and Recreation Department shall**
4 **allow for the installation and service of public electric vehicle charging**
5 **stations in parking spaces that are part of the facilities of the system**
6 **of state parks, including parks, park facilities, ocean shores, scenic**
7 **waterways, trails and historic sites throughout the State of Oregon.**

8 **“(2) The department shall implement subsection (1) of this section**
9 **in a manner that:**

10 **“(a) Is consistent with the goals set forth in ORS 283.398;**

11 **“(b) Supports availability to the public of a wide variety of electric**
12 **vehicle charging equipment to accommodate charging a wide variety**
13 **of electric vehicles, including availability of level one charging equip-**
14 **ment for charging electric assisted bicycles; and**

15 **“(c) Takes into consideration:**

16 **“(A) The recommendations in the report required by ORS 283.401;**

17 **“(B) The availability of infrastructure to deliver electricity to elec-**
18 **tric vehicle charging stations in the parking spaces described in sub-**
19 **section (1) of this section; and**

20 **“(C) Opportunities to contract with third-party entities.”.**

21 On page 4, after line 21, insert:

1 **“SECTION 5. (1) Subject to and consistent with any other applicable**
2 **requirements under state and federal law, the Department of Trans-**
3 **portation, the State Parks and Recreation Department and the Travel**
4 **Information Council may allow for the installation and service of**
5 **electric vehicle charging stations in parking spaces that are part of the**
6 **facilities of roadside rest areas.**

7 **“(2) The departments and the council shall implement subsection**
8 **(1) of this section in a manner that:**

9 **“(a) Is consistent with ORS 366.395 and the goals set forth in ORS**
10 **283.398;**

11 **“(b) Supports availability to the public of a wide variety of electric**
12 **vehicle charging equipment to accommodate charging a wide variety**
13 **of electric vehicles, including availability of level one charging equip-**
14 **ment for charging electric assisted bicycles; and**

15 **“(c) Takes into consideration:**

16 **“(A) The provisions of Article IX, section 3a, of the Oregon Con-**
17 **stitution;**

18 **“(B) The recommendations in the report required by ORS 283.401;**

19 **“(C) The availability of infrastructure to deliver electricity to elec-**
20 **tric vehicle charging stations in the parking areas described in sub-**
21 **section (1) of this section; and**

22 **“(D) Opportunities to contract with third-party entities.**

23 **“SECTION 6. ORS 366.395 is amended to read:**

24 **“366.395. (1)(a) Except as provided in paragraph (b) of this sub-**
25 **section, the Department of Transportation may sell, lease, exchange or oth-**
26 **erwise dispose or permit use of real or personal property, including**
27 **equipment and materials acquired by the department, title to which real or**
28 **other property may have been taken either in the name of the department,**
29 **or in the name of the state, and which real or personal property is, in the**
30 **opinion of the department, no longer needed, required or useful for depart-**

1 ment purposes[, *except that*].

2 “(b) Real property may be leased when[,]:

3 “(A) In the opinion of the department, such real property will not be
4 needed, required or useful for department purposes during the leasing
5 period; or

6 “(B) **The real property is leased to allow for the installation and
7 service of public electric vehicle charging stations consistent with
8 section 5 of this 2021 Act.**

9 “(c) The department may exchange property as provided in subsection (3)
10 of this section regardless of whether the property is needed by, required by
11 or useful to the department if, in the judgment of the department, doing so
12 will best serve the interests of the state.

13 “(2) The department may sell, lease, exchange or otherwise dispose of such
14 real or personal property in such manner as, in the judgment of the depart-
15 ment, will best serve the interests of the state and will most adequately
16 conserve highway funds or the department’s account or fund for the real or
17 personal property. In the case of real property, interest in or title to the
18 same may be conveyed by deed or other instrument executed in the name of
19 the state, by and through the department. All funds or money derived from
20 the sale or lease of any such property shall be paid by the department to the
21 State Treasurer with instructions to the State Treasurer to credit such funds
22 or moneys:

23 “(a) To the highway fund; or

24 “(b) To the department’s account or fund for the property. The State
25 Treasurer shall credit the funds and moneys so received as the department
26 shall direct.

27 “(3) Property described in subsection (1) of this section may be exchanged
28 for other property or for services. As used in this subsection, ‘services’ in-
29 cludes, but is not limited to, public improvements as defined in ORS
30 279A.010.

1 “(4)(a) Before offering forest products for sale the department shall cause
2 the forest products to be appraised.

3 “(b) If the appraised value of the forest products exceeds \$50,000, the de-
4 partment may not sell them to a private person, firm or corporation except
5 after a public auction to receive competitive bids. Prior to a public auction,
6 the department shall give notice of the auction not less than once a week
7 for three consecutive weeks by publication in one or more newspapers of
8 general circulation in the county in which the forest products are located
9 and by any other means of communication that the department deems ad-
10 visable. The department shall provide the minimum bid price and a brief
11 statement of the terms and conditions of the sale in the notice.

12 “(c) Notice and competitive bidding under paragraph (b) of this subsection
13 is not required if the Director of Transportation declares an emergency to
14 exist that requires the immediate removal of the timber. If an emergency has
15 been so declared:

16 “(A) Then the timber, regardless of value, may be sold by a negotiated
17 price; and

18 “(B) The director shall make available for public inspection a written
19 statement giving the reasons for declaring the emergency.

20 “(5) The department’s account or fund for the forest product shall be
21 credited with the proceeds of the sale.”.
