27

28 **“SECTION 16.** ORS 413.017 is amended to read:

29 “413.017. (1) The Oregon Health Policy Board shall establish the commit-  
30 tees described in subsections (2) to [~~(4)~~] (5) of this section.

1       “(2)(a) The Public Health Benefit Purchasers Committee shall include in-  
2       dividuals who purchase health care for the following:

3       “(A) The Public Employees’ Benefit Board.

4       “(B) The Oregon Educators Benefit Board.

5       “(C) Trustees of the Public Employees Retirement System.

6       “(D) A city government.

7       “(E) A county government.

8       “(F) A special district.

9       “(G) Any private nonprofit organization that receives the majority of its  
10       funding from the state and requests to participate on the committee.

11       “(b) The Public Health Benefit Purchasers Committee shall:

12       “(A) Identify and make specific recommendations to achieve uniformity  
13       across all public health benefit plan designs based on the best available  
14       clinical evidence, recognized best practices for health promotion and disease  
15       management, demonstrated cost-effectiveness and shared demographics  
16       among the enrollees within the pools covered by the benefit plans.

17       “(B) Develop an action plan for ongoing collaboration to implement the  
18       benefit design alignment described in subparagraph (A) of this paragraph and  
19       shall leverage purchasing to achieve benefit uniformity if practicable.

20       “(C) Continuously review and report to the Oregon Health Policy Board  
21       on the committee’s progress in aligning benefits while minimizing the cost  
22       shift to individual purchasers of insurance without shifting costs to the pri-  
23       vate sector or the health insurance exchange.

24       “(c) The Oregon Health Policy Board shall work with the Public Health  
25       Benefit Purchasers Committee to identify uniform provisions for state and  
26       local public contracts for health benefit plans that achieve maximum quality  
27       and cost outcomes. The board shall collaborate with the committee to de-  
28       velop steps to implement joint contract provisions. The committee shall  
29       identify a schedule for the implementation of contract changes. The process  
30       for implementation of joint contract provisions must include a review process

1 to protect against unintended cost shifts to enrollees or agencies.

2 “(3)(a) The Health Care Workforce Committee shall include individuals  
3 who have the collective expertise, knowledge and experience in a broad  
4 range of health professions, health care education and health care workforce  
5 development initiatives.

6 “(b) The Health Care Workforce Committee shall coordinate efforts to  
7 recruit and educate health care professionals and retain a quality workforce  
8 to meet the demand that will be created by the expansion in health care  
9 coverage, system transformations and an increasingly diverse population.

10 “(c) The Health Care Workforce Committee shall conduct an inventory  
11 of all grants and other state resources available for addressing the need to  
12 expand the health care workforce to meet the needs of Oregonians for health  
13 care.

14 “(4)(a) The Health Plan Quality Metrics Committee shall include the fol-  
15 lowing members appointed by the Oregon Health Policy Board:

16 “(A) An individual representing the Oregon Health Authority;

17 “(B) An individual representing the Oregon Educators Benefit Board;

18 “(C) An individual representing the Public Employees’ Benefit Board;

19 “(D) An individual representing the Department of Consumer and Busi-  
20 ness Services;

21 “(E) Two health care providers;

22 “(F) One individual representing hospitals;

23 “(G) One individual representing insurers, large employers or multiple  
24 employer welfare arrangements;

25 “(H) Two individuals representing health care consumers;

26 “(I) Two individuals representing coordinated care organizations;

27 “(J) One individual with expertise in health care research;

28 “(K) One individual with expertise in health care quality measures; and

29 “(L) One individual with expertise in mental health and addiction ser-  
30 vices.

1       “(b) The committee shall work collaboratively with the Oregon Educators  
2 Benefit Board, the Public Employees’ Benefit Board, the authority and the  
3 department to adopt health outcome and quality measures that are focused  
4 on specific goals and provide value to the state, employers, insurers, health  
5 care providers and consumers. The committee shall be the single body to  
6 align health outcome and quality measures used in this state with the re-  
7 quirements of health care data reporting to ensure that the measures and  
8 requirements are coordinated, evidence-based and focused on a long term  
9 statewide vision.

10       “(c) The committee shall use a public process that includes an opportunity  
11 for public comment to identify health outcome and quality measures that  
12 may be applied to services provided by coordinated care organizations or  
13 paid for by health benefit plans sold through the health insurance exchange  
14 or offered by the Oregon Educators Benefit Board or the Public Employees’  
15 Benefit Board. The authority, the department, the Oregon Educators Benefit  
16 Board and the Public Employees’ Benefit Board are not required to adopt  
17 all of the health outcome and quality measures identified by the committee  
18 but may not adopt any health outcome and quality measures that are differ-  
19 ent from the measures identified by the committee. The measures must take  
20 into account the recommendations of the metrics and scoring subcommittee  
21 created in ORS 414.638 and the differences in the populations served by co-  
22 ordinated care organizations and by commercial insurers.

23       “(d) In identifying health outcome and quality measures, the committee  
24 shall prioritize measures that:

25       “(A) Utilize existing state and national health outcome and quality  
26 measures, including measures adopted by the Centers for Medicare and  
27 Medicaid Services, that have been adopted or endorsed by other state or  
28 national organizations and have a relevant state or national benchmark;

29       “(B) Given the context in which each measure is applied, are not prone  
30 to random variations based on the size of the denominator;

1 “(C) Utilize existing data systems, to the extent practicable, for reporting  
2 the measures to minimize redundant reporting and undue burden on the  
3 state, health benefit plans and health care providers;

4 “(D) Can be meaningfully adopted for a minimum of three years;

5 “(E) Use a common format in the collection of the data and facilitate the  
6 public reporting of the data; and

7 “(F) Can be reported in a timely manner and without significant delay so  
8 that the most current and actionable data is available.

9 “(e) The committee shall evaluate on a regular and ongoing basis the  
10 health outcome and quality measures adopted under this section.

11 “(f) The committee may convene subcommittees to focus on gaining ex-  
12 pertise in particular areas such as data collection, health care research and  
13 mental health and substance use disorders in order to aid the committee in  
14 the development of health outcome and quality measures. A subcommittee  
15 may include stakeholders and staff from the authority, the Department of  
16 Human Services, the Department of Consumer and Business Services, the  
17 Early Learning Council or any other agency staff with the appropriate ex-  
18 pertise in the issues addressed by the subcommittee.

19 “(g) This subsection does not prevent the authority, the Department of  
20 Consumer and Business Services, commercial insurers, the Public Employees’  
21 Benefit Board or the Oregon Educators Benefit Board from establishing  
22 programs that provide financial incentives to providers for meeting specific  
23 health outcome and quality measures adopted by the committee.

24 **“(5)(a) The Behavioral Health Committee shall include the following**  
25 **members appointed by the Director of the Oregon Health Authority:**

26 **“(A) The chairperson of the Health Plan Quality Metrics Commit-**  
27 **tee;**

28 **“(B) The chairperson of the committee appointed by the board to**  
29 **address health equity, if any;**

30 **“(C) A behavioral health director for a coordinated care organiza-**

1 **tion;**

2 **“(D) A representative of a community mental health program;**

3 **“(E) An individual with expertise in data analysis;**

4 **“(F) A member of the Consumer Advisory Council, established un-**

5 **der ORS 430.073, that represents adults with mental illness;**

6 **“(G) A representative of the System of Care Advisory Council es-**

7 **tablished in ORS 418.978;**

8 **“(H) A member of the Oversight and Accountability Council, de-**

9 **scribed in section 2, chapter 2, Oregon Laws 2021 (Ballot Measure 110**

10 **(2020)), who represents adults with addictions or co-occurring condi-**

11 **tions;**

12 **“(I) One member representing a system of care, as defined in ORS**

13 **418.976;**

14 **“(J) One consumer representative;**

15 **“(K) One representative of a tribal government;**

16 **“(L) One representative of an organization that advocates on behalf**

17 **of individuals with intellectual or developmental disabilities;**

18 **“(M) One representative of providers of behavioral health services;**

19 **“(N) The director of the division of the authority responsible for**

20 **behavioral health services, as a nonvoting member;**

21 **“(O) The Director of the Alcohol and Drug Policy Commission ap-**

22 **pointed under ORS 430.220, as a nonvoting member;**

23 **“(P) The authority’s Medicaid director, as a nonvoting member;**

24 **“(Q) A representative of the Department of Human Services, as a**

25 **nonvoting member; and**

26 **“(R) Any other member that the director deems appropriate.**

27 **“(b) The board may modify the membership of the committee as**

28 **needed.**

29 **“(c) The division of the authority responsible for behavioral health**

30 **services and the director of the division shall staff the committee.**

1       “(d) The committee, in collaboration with the Health Plan Quality  
2 Metrics Committee, as needed, shall:

3       “(A) Establish quality metrics for behavioral health services pro-  
4 vided by coordinated care organizations, health care providers, coun-  
5 ties and other government entities; and

6       “(B) Establish incentives to improve the quality of behavioral  
7 health services.

8       “(e) The quality metrics and incentives shall be designed to:

9       “(A) Improve timely access to behavioral health care;

10       “(B) Reduce hospitalizations;

11       “(C) Reduce overdoses;

12       “(D) Improve the integration of physical and behavioral health care;  
13 and

14       “(E) Ensure individuals are supported in the least restrictive envi-  
15 ronment that meets their behavioral health needs.

16       “[(5)] (6) Members of the committees described in subsections (2) to [(4)]  
17 (5) of this section who are not members of the Oregon Health Policy Board  
18 are not entitled to compensation but shall be reimbursed from funds avail-  
19 able to the board for actual and necessary travel and other expenses incurred  
20 by them by their attendance at committee meetings, in the manner and  
21 amount provided in ORS 292.495.

22       “**SECTION 17.** Section 18 of this 2021 Act is added to and made a  
23 part of ORS chapter 414.

24       “**SECTION 18.** Notwithstanding ORS 414.590:

25       “(1) Contracts between the Oregon Health Authority and coordi-  
26 nated care organizations or individual providers for the provision of  
27 behavioral health services must align with the quality metrics and  
28 incentives developed by the Behavioral Health Committee under ORS  
29 413.017 and contain provisions that ensure that:

30       “(a) Individuals have easy access to needed care;

1       **“(b) Services are responsive to individual and community needs;**  
2       **and**

3       **“(c) Services will lead to meaningful improvement in individuals’**  
4       **lives.**

5       **“(2) The authority must provide at least 90 days’ notice of changes**  
6       **needed to contracts that are necessary to comply with subsection (1)**  
7       **of this section.**

8       **“SECTION 19.** ORS 413.032 is amended to read:

9       “413.032. (1) The Oregon Health Authority is established. The authority  
10 shall:

11       “(a) Carry out policies adopted by the Oregon Health Policy Board;

12       “(b) Administer the Oregon Integrated and Coordinated Health Care De-  
13 livery System established in ORS 414.570;

14       “(c) Administer the Oregon Prescription Drug Program;

15       “(d) Develop the policies for and the provision of publicly funded medical  
16 care and medical assistance in this state;

17       “(e) Develop the policies for and the provision of mental health treatment  
18 and treatment of addictions;

19       “(f) Assess, promote and protect the health of the public as specified by  
20 state and federal law;

21       “(g) Provide regular reports to the board with respect to the performance  
22 of health services contractors serving recipients of medical assistance, in-  
23 cluding reports of trends in health services and enrollee satisfaction;

24       “(h) Guide and support, with the authorization of the board, community-  
25 centered health initiatives designed to address critical risk factors, especially  
26 those that contribute to chronic disease;

27       “(i) Be the state Medicaid agency for the administration of funds from  
28 Titles XIX and XXI of the Social Security Act and administer medical as-  
29 sistance under ORS chapter 414;

30       “(j) In consultation with the Director of the Department of Consumer and

1 Business Services, periodically review and recommend standards and meth-  
2 odologies to the Legislative Assembly for:

3 “(A) Review of administrative expenses of health insurers;

4 “(B) Approval of rates; and

5 “(C) Enforcement of rating rules adopted by the Department of Consumer  
6 and Business Services;

7 “(k) Structure reimbursement rates for providers that serve recipients of  
8 medical assistance to reward comprehensive management of diseases, quality  
9 outcomes and the efficient use of resources and to promote cost-effective  
10 procedures, services and programs including, without limitation, preventive  
11 health, dental and primary care services, web-based office visits, telephone  
12 consultations and telemedicine consultations;

13 “(L) Guide and support community three-share agreements in which an  
14 employer, state or local government and an individual all contribute a por-  
15 tion of a premium for a community-centered health initiative or for insur-  
16 ance coverage;

17 “(m) Develop, in consultation with the Department of Consumer and  
18 Business Services, one or more products designed to provide more affordable  
19 options for the small group market;

20 “(n) Implement policies and programs to expand the skilled, diverse  
21 workforce as described in ORS 414.018 (4); and

22 “(o) Implement a process for collecting the health outcome and quality  
23 measure data identified by the Health Plan Quality Metrics Committee **and**  
24 **the Behavioral Health Committee** and report the data to the Oregon  
25 Health Policy Board.

26 “(2) The Oregon Health Authority is authorized to:

27 “(a) Create an all-claims, all-payer database to collect health care data  
28 and monitor and evaluate health care reform in Oregon and to provide  
29 comparative cost and quality information to consumers, providers and pur-  
30 chasers of health care about Oregon’s health care systems and health plan

1 networks in order to provide comparative information to consumers.

2 “(b) Develop uniform contracting standards for the purchase of health  
3 care, including the following:

4 “(A) Uniform quality standards and performance measures;

5 “(B) Evidence-based guidelines for major chronic disease management and  
6 health care services with unexplained variations in frequency or cost;

7 “(C) Evidence-based effectiveness guidelines for select new technologies  
8 and medical equipment;

9 “(D) A statewide drug formulary that may be used by publicly funded  
10 health benefit plans; and

11 “(E) Standards that accept and consider tribal-based practices for mental  
12 health and substance abuse prevention, counseling and treatment for persons  
13 who are Native American or Alaska Native as equivalent to evidence-based  
14 practices.

15 “(3) The enumeration of duties, functions and powers in this section is  
16 not intended to be exclusive nor to limit the duties, functions and powers  
17 imposed on or vested in the Oregon Health Authority by ORS 413.006 to  
18 413.042, 415.012 to 415.430 and 741.340 or by other statutes.

19 **“SECTION 20.** ORS 414.025 is amended to read:

20 “414.025. As used in this chapter and ORS chapters 411 and 413, unless  
21 the context or a specially applicable statutory definition requires otherwise:

22 “(1)(a) ‘Alternative payment methodology’ means a payment other than a  
23 fee-for-services payment, used by coordinated care organizations as compen-  
24 sation for the provision of integrated and coordinated health care and ser-  
25 vices.

26 “(b) ‘Alternative payment methodology’ includes, but is not limited to:

27 “(A) Shared savings arrangements;

28 “(B) Bundled payments; and

29 “(C) Payments based on episodes.
