

Chair Williams and Members of the Committee,

My name is Eden Olsen. I am a farmer in Monmouth, Oregon. I am writing to request your support for **HB 2292**.

HB 2292 supports the expansion of Double Up Food Bucks Oregon, a SNAP incentive program with a proven record of success. For every dollar spent on SNAP-eligible foods at participating farmers markets, farm share programs, and grocery stores across the state, shoppers will receive a dollar to spend on Oregon-grown fruits and vegetables.

This program is important to me because it puts money in farmers' pockets and increases access to nutritional, sustainable and delicious food for low-income community members. I have participated in our local farmers' market SNAP incentive program for the last three years and I have seen an increase in sales directly related to the program. I have also been a recipient of SNAP incentive dollars when I was struggling to start my farm business and it helped me stay afloat.

This program is particularly important during the COVID-19 outbreak. It was clear that the funding was needed during 2019 when many of our local community members signed up for SNAP benefits and utilized the Double Up Food Bucks opportunity. I saw a dramatic increase in sales last season, much of which was due to the SNAP program offered at our farmers' market.

Thank you for the consideration and for your service.
