

Hello Stacey Phillips here an exonerate from 1989 I tried to testify yet have been blocked from access.No Justice for me a supreme court victor, made a slave and discriminated against for 30 years , yall can't give me peace. the KKKops get a pension I got PTSD and poverty. But you do what you do If you make me have to beg from the same people that framed me you are monsters inflecting further suffering. prosecution of the liars and the DA's that framed me would be justice. yall need to step up I can't even get disability because i have to beg from the state that caused my disability. I saw the hearing and am not happy with silencing exonerees storys.

look through my case and you will see that the marion county da was protecting a state run child rape ring and framing those that were reporting those crimes. my story was plagerized to make up Pizzagate. <https://www.anonymous-france.info/stacy-phillips-occupy-salem-ows-anniversary.html>
