

I submit my OPPOSITION to SB 282-1 which does not address the root causes of the COVID - 19 housing crisis which is the inability to pay rent. The COVID housing crisis is being used to change laws unrelated to keeping people housed during this difficult time. Please oppose SB 282 and then you can focus on the #1 issue driving up housing instability right now which past due rent. I do support SB 330 which is a real solution for struggling renters who need assistance. Madelle P. Friess
