

Disarming America by “FRAUD”

On February 18th and February 22nd House and Senate Judiciary Committees, held hearings on bills HB2543 and SB554 regarding an enumerate tonnage of requirements on firearms from transferring, ownership, carrying and possession of them. The requirements are many and in extreme, even for persons with Conceal Handgun Permits. Below is my narrative of reasons for opposing both Bills, HB 2543 and SB 554, indicating both bills do not belong in a Nation, which a model of a free sociate as up today. Our Nation is Capitalist, it is not Socialist neither another Marxist equivalent, although the present government administration indicates different. The reason for these regulations is not safety, it is the slow introduction of Socialism. Both Bills are toward disarming the population. Cementing Marxist/Socialism, which is the philosophical doctrine wanted to be implemented, undeniable. Extreme requirements and extravagant prohibitions, outlined in the bill. Assure opening the door to more radicalities byf the left in route to implement Socialism/Communism. Therefore, to disarm the population and vilify law abiding citizens is a manipulation by Socialists, to restrict and eliminate possession of a firearm. A violation of the 2nd Amendment.

Both bills, HB 2543 and her sisters SB 554 sounds “fraudulent.” Fraud, according Webster’s New Collegiate Dictionary is defined as the ‘intentional perversion of truth, in order to induce another to part with something of value, or surrender a legal right.’ Is clear HB2543 is to disarm the population using safety as a pretext, a disgraced. Impostors is the name given to those who defrauds. With sadness appear the Socialists in America starting to glorified fraud as instrument to make ill-fated Legislation. Nothing new.

These bills would only protect criminals and eventually is to be use against the population to negate defense against dictatorial regimes, which is definitely the objective of Socialism. It is well known, totalitarian governments do disarm the population otherwise, would very difficult its implementation. The recent administration Biden/Harris, has shown a euphoria for Marxism. Their actions, along with radical prejudicial executive orders, cannot be hidden. In Marxist countries, such as in my Native one, equally actions and manipulations have been implemented to subjugate citizenry forcing to accept Communism, population is disarmed POLITICAL POLICE (G-2). Has been implemented

I CAME TO AMERICA FOR REFUSING SOCIALISM/COMMUNISM. I never been associated in my Native Country (Cuba), with any government administration nor political party however, always rejecting tyranny, including Marxism/Socialism or similar. The reason which, trigger my exile and became American citizen by naturalization, many years back searching Freedom, Liberties and Individual Rights’. Based on past experience, I am perfectly aware of the reason

behind this malintent piece of Legislations against firearms; also alerting this country against Communism goal of absolute control to implement a Marxism governmental system.

In January 8th 1959, the speech by Fidel Castro "Armas para que? (Arms for what?), was the signal for disarming the citizenry in Cuba. Disarming was done behind SAFETY and PEACE, sound familiar.?

More Castro's quotes, to prove my awareness, of a takeover of this Nation by Communism: "I won't be a Dictator", interview with Ruth Lloyd, January 1959, printed by the Spokesman-Review, May 24th 1959. Another one, "I am not a communist and neither is the revolutionary movement, but we do not have to say that we are anticommunists just to fawn on foreign powers" (July 17th, 1959), hypocrisy resignation announcement. One More, "If we had paused to tell the people that we were Marxist-Leninist while we were in the Pico Turquino and not yet strong, it is possible that we would never have been able to descend to the plains.", speech December 2nd, 1961, anniversary of The Gramma landing. Finally, for now, Castro declaration of his passionate dogma, Communism "I am a Marxist-Leninist and I will be a Marxist-Leninist until the last days of my life." Castro's quote for now.

America, is this the beginning? Preparing the outcome of the future.? America, only you decide. The disarming of Americans is in the carpet. The Social/Communists would disarm America. Same script, different players and language; In Cuba Spanish, in America English, but equal farce. They are throwing us the MANUAL.

Radical left wants to permanent possess this Nation, the reason to disarm. Safety, is a hypocrisy, we have in this Country enough Laws to have criminals under control and plenty places to teach proper adequate handling, safety and care of firearms, after normal, responsible regulations. Not government impositions nor extremism. We must teach and learn to protect Freedom, Civil Liberties and Rights. Also, to teach defend and respect America. Not to teach how to destroy America and its culture. How can we expect be protected if we were disarmed? and in top of that Law Enforcement defunded, as wanted by those burning, destroying and vandalizing the Nation? When the present Police is dismissed from existence, the ruling Socialist administration would install a Political Police as done by dictatorial regimens in history, such as: Gestapo in Germany, G-2 in Cuba, NKVD in Russia, PAP in China, among others around the World.

These Legislations HB2543 and SB554 are an attack to our Constitution 2nd Amendment. Is the one protecting our individuals Rights, not limited to Freedom, self-defense, private property and family. Both Bills must be OPPOSE.

Marxist wanting accommodate a "New Class" elite, by establishing a totalitarian tyrannical Society, called Socialism or any similar; immersing us into vassalage by eliminating our Rights, making us marionettes of a tyrannical government. Such evil paradises existed only in defenseless Countries.

I have been thru all chapters from an existing Marxist society, "Communism" in Cuba, which is a sample of ABSOLUTE CONTROL over humanity. A place where Hope do not exist. Self-determination unheard. Freedom unknown. The reason to oppose Marxists Gun Control, is "FRAUD". "the ones who defrauds. IMPOSTORS.
