Re: I SUPPORT [HB 2986]...*Is she a she or is he a she? Time for heshe and shehe training programs.*

I am shocked the Police have not been trained in gender motivated prejudice considering how many sloppy, lice-infected whores they have arrested and placed into back seat of their vehicles or that of the "Wagon Master."

But, then again who knows for sure what gender a person is sporting these days.

Gender is becoming such a hot-button topic, it is getting harder and harder to tip-toe around the issue.

[HB 2986] training will require additional funding to all Police agencies in Oregon.

You might give a hint to the elected morons in Portland, "Defunding the Police" is really not a good idea.

The, "**Text: [Page 1 at (13-15)]**" referring to the "Vienna Convention on Consular Relations" is bizarre.

[HB 2986] training should be already incorporated into Oregon Police Academies.

Respectfully submitted,
