

My name is Manuel Martinez, residing in the City of Keizer, Oregon.

**HB 2543** for the second time, still similar to the first, ignoring the 2<sup>nd</sup> Amendment of our Constitution. It is not for safety neither protect the citizens. It is better identified as a **fraudulent Bill**; an intentional perversion of truth in order to induce another to part with something of value or surrender a legal Right, Webster's Dictionary definition of **FRAUD**. Hiding the real purpose, disarming gradually Law-abiding citizens. Dancing undisputed with fraud.

I have no statistics to bring or averages neither any other study since the issue here is violation of "freedom" a God given Right, obtain at birth. No men, women neither combination of both has authorized to suppress freedom. Neither to disarm Law-abiding citizens or forcing them to ask permission to bear arms. **HB 2543** clearly violate the Constitution. However, politicians allow ambulance in our Nation, hordes of radical leftists to destroy cities and private property without f worry or care. Blaming others, accusing them as white supremacy, Nazis and all kinds of slurs. But wanting to eliminate guns. **Why.?** Later you would see. Meanwhile, the lefties identified with Socialists or Communists vandalize, burn, destroy, assault, kills men women and children without any desire from the "great" politicians to stop the abomination. However, declaring the entire disarray as a "peaceful protest". Hypocrisy, at their best, supported as always by the "untouchable", master's manipulators, the social media.

Magical gun control is resurrected, introducing **HB 2543**; following by a string of similar hypocritical Legislations. The reason for my article "Disarming America by Fraud", as part of my testimony. **HB 2543** is an assault to "Freedom." This kind of Legislation is to open the doors for Socialism/Communism assailing Nations like America, the undoubted shrine of Freedom and Liberties. **Subjugation**, is the real purpose behind the actual turbulence in the Land of the Free. The answer of the "**Why**" indicated above. A magnificent execution of the fatidic Dialectical Materialism a, secret of Marxism. **HB 2543 is a FRAUD and the ones defrauding are named IMPOSTORS**, also define by the above-mentioned Webster's Dictionary.
