

We are in support of SB 740. Adding just \$5.00 to a registration is a lot easier to handle for all our boaters. We are one of the few places in Columbia county that does boater registrations, and if we double the fees, I think you will be losing quite a few boaters, or they will just not pay their fees, and take their chances. The derelict boat situation is a real problem, and this is a good start to fixing it. Thanks for your time
