

James Kenneth Lindqueter.

That name used to belong to a 3 year old Oregon boy, with a future and a loving family. Until he got ahold of an unsecured gun and shot himself. Hundreds of other Oregonians die in accidental gun deaths and suicides every year, and HB 2510 would help prevent these unnecessary deaths without infringing on rights. A vote to pass this bill is a vote to save lives. As an Oregon high school student, I urge you to vote yes on HB 2510.
