

To whom it may concern.

I am writing in opposition to House Bill 2755. I do agree that there are concerns about people's actions on this waterway, however limiting access in this manor seems like heavy-handed and unjust to those that live on or nearby the waterway. Please consider alternate actions to provide options for all to be able to be able to enjoy. Weather you implement this bill or just add Policing, additional policing will need to be added to enforce. Consider addition and heavier penalties in leu if the proposed bill.

Thank you.
