

The U S Constitution Bill of Rights guarantees that "the right of the People to keep and bear arms shall not be infringed." HB2510 is an infringement of the People's rights as stated in the Second Amendment. It appears the Democrat majority is obsessed with power attained through gerrymandering and vote manipulation. The People who they are supposed to serve are now left watching daily our rights being taken by leftist policy advances that have no relationship to the population of freedom and liberty enshrined in the Constitutions of both the U S and the State.

The People demand that our elected SERVANTS return to the attitude of servitude and immediately stop the steady flow of leftist policy. It is immoral, and we are all done watching helplessly as you continue to steal our liberty. This will not stand.

Sincerely,
