

Oppose. Another Kate Brown "Revenge is a dish best served cold and slowly" bill.

We need to solve the voter integrity issue.

There are a massive amount of laws and bills that are in violation of the Oregon Constitution.

It's like a massive bill mill factory.

I get the strategy of those that do not care about we the people, the legislators who are on a cognitive dissonance march with all these bills which if passed violate all kinds of this Constitution for the United States of America and the Oregon Constitution. THE GREAT BILL FLOOD OF 2021. KATE'S GRAND CONTINUATION OF SERVING REVENGE COLDLY.

It is as though we don't even have a legislature anymore. I emailed my legislators state senator Lew Frederick and state representative Tina Kotek about committee work that I, their constituent wanted them to do. The RESULT? THE FEEDBACK. Like I was talking into the wind. Tina Kotek has not once in seven years met with me about children being at risk in the public school systems.

This not responding to citizens who have actually voted for them to be in office tells me we do not have a government in Salem. I am not represented by my legislators not even as I was a member of the same party as them. It is merely a revenge cabal just digging deeper the graves in which vulnerable citizens will be buried.

As an analyst/expert witness and when I was in state government as an investigator THE STONE COLD SILENCE comes from folks being in their own private club with the REVENGEFUL KATE BROWN. I get it. I was at one time in my life deeply involved in the Democrat Party. I know the secrets. And you got some RINOs who are of the same ilk.

THE FLOOD OF 2021. I oppose.
