

3/11 – 3:15 pm House Bill 2305 and 2308 House Committee on Veterans and Emergency Management  
House Bill 2305 and 2308 are exactly the same word for word, why is author presenting same Bill under two different assignment numbers? 2021 Oregon Legislative Assembly wading into the territory of the Presidential declaration of the United States Defense Production Act of 1950 with House Bill 2265. Seems to be a overstep by state government, on the other hand, Oregon Governor could suggest to Homeland Security-FEMA of businesses in Oregon that could provide needed emergency manufacturing needs of Homeland Security-FEMA Emergency.
