Dear Senate Finance and Revenue Committee,

I'm writing to urge you in the strongest terms to **vote YES on SB43** pertaining to labor rebates and tax credits for media production.

I have been the nuts and bolts of over 5 dozen indie, television, commercial and feature productions in Oregon over the past few years.

I will directly benefit from the incentive program, as I am writing budgets for a 7 season streaming series and 2 feature length Period Adventure/Dramas.

Having a strong tax incentive ecosystem impacts my ability to bring work home to Oregon where I live. If I can build a budget that funds here, to shoot here I will but many states have much better programs.

Please **vote YES on SB43** to extend these critical programs for our local production industry. It supports my livelihood.

Regards,
