

SB223 infringes on the rights of private schools per the 14th amendment which allows freedom of choice for parents to educate their children as they see fit. SB223 is an attempt to integrate private schools into the public school system which is not acceptable. We already pay taxes for public schools in addition to tuition for private schools. It is the right of private education to remain separate, SB223 is an overreach into private citizens' rights.

Thanks in advance for voting "NO" for SB223.
