

HB 2164 and Amendment -3 to "Cover All People regardless of immigration"; Governors 2021-23 Proposed Budget All Funds Budget (p. 17) includes 42% of all Expenditures (p. 17) and this is just the tip of the budgetary allowance for Human Services. HB 2164 Amendment -3, in turn, would absurdly increase the Human Services funding. I strongly oppose HB 2164 and Amendment -3.
