

I ask that you DO NOT allow ODE to have control over private schools! They are private for a reason! All three of my children have attended a private school for the last 3 years. I have purposefully chosen a private school over a public school for many many reasons. I pay quite a bit of money to have the freedom to be a part of this school. And passing this bill will take away much of this freedom! Oh my goodness, our freedoms are being taken away left and right! Please don't allow this bill to pass to have more of our freedoms taken away!
