

Please stand with parents and students of private schools and vote NO on SB223. SB 223 adds expenses to private schools and early childhood programs with little (if any) benefit to the schools or students served by them. The Legislature passed a law in 2019 to protect private school students, and SB 223 is unnecessary in light of that legislation. Our schools have demonstrated the ability to open safely during a global pandemic and takes the safety of the students and staff very seriously.
