

Chairman Dembrow,

Please vote No! on SB 223. I and many other parents have chosen, at significant personal expense, to send our children to a private school that provides a Christian-based education. We also pay state taxes which support Oregon's public schools, not to mention the public officials who govern such important decisions pertaining to our children's education. I am deeply concerned that SB 223 will adversely impact the freedom with which my child's school currently operates. Therefore, I ask you to please oppose the passage of SB 223. Thank you for your consideration in this matter -
