Dear House Committee on Revenue,

I'm writing to urge you to **vote YES on HB 3244** to expand the Oregon Production Incentive Fund (OPIF) from \$14 million to \$20 million. This program is critical in keeping our state competitive for film, TV, commercials, and other digital media.

I am a professional Makeup Artist in Portland, OR and I basically rely on the Oregon Production Incentive Fund to make my living. Recent projects I've worked on in Portland are Netflix's feature, "Métal Lörds", the TBS series "Chad", and the Hulu series, "Shrill". Without these productions, I would not be able to continue living in Portland, OR. I would also not be able to receive all the benefits that IATSE 488 offers (health insurance, retirement fund, etc.). To vote no on HB 3244 would be devastating to our state.

Please **vote YES on HB 3244** to expand OPIF and increase media production jobs and spending in our state.

Sincerely,

Anne Sellery
