Dear Members of Congress:

I'm writing in support of House Bill 3265.

I don't want my regional jail (NORCOR) to incarcerate immigrants and asylum seekers. These poor people are struggling to find a safe home for their families and they should not be treated as criminals nor should they be held in facilities that are intended to be used for the incarceration of criminals.

Please continue Oregon's humanitarian stand by passing HB3265.

Sincerely yours,

Steve Mounts
