

if Measure II Good Time  
was retro active it would  
give people A chance to  
get home earlier who  
have had good behavior  
and been programming it  
would also benefit staff  
because we would be doing  
are Best to be good  
and stay out of trouble  
right now its Day for Day  
so AIC Dont see any  
Benefits for good Behavior  
it would push more people  
to program and earn Good time  
so please consider 4  
Measure II Good time to  
be retro active it would  
Benefit D.O.C as a whole  
thank You
