To Senate Committee,

I hope with All my Heart and
Being that you pass Bill 191 and give
us inmates that are changing for the
Better RetroActive good time.

I've Been locked up 6 years
For A 90 month measure 11 charges
In that time I Have gone in and out
of the Hole for fighting, staff Disrespects
total meltdowns and Tattooing, making

Right now I Have 2 years
of perfect conduct. The Reason?

I want to do Better! I Heard About
this possible Bill getting passed and
I started taking things serious.
My Niece whom is 16 just found out
she Has cancer. My mother is in and
out of the Hospital. I need to Be Home.
This Bill can change the Live's of All
