Dear Senator, RE: SB-191

I am writing to Voice my Support for the pending M-11 Reform Bill to Enable "Good Time" to be Earned for All Adults in Custody with the DOC.

I am in Favour of a bill being passed so that all AIC's are given the opportunity to Earn Good Time.

My Loved one is in custody with the DOC having done 12 of a 14.5 yr M11 sentence.

He is Well respected with Both Inmates & Staff, holds down a Important job,

has No write-ups, in Honored houseing, and has done very well in his situation,

and always working to Improve Both his Job, and his education, and Moral ethics.

He has Family support, and has children that would Benefit from him being home.

\*\*\*\*\* Please, I really Need my Son Home !!! \*\*\*\* Please make this Bill Retroactive !!!

My Husband and I Both have a Disability, I am Blind and can Not drive, and We really need his Help on our property and home.

SB-191

By passing the M-11 Reform bill for Good Time, AND making it RETROACTIVE we are giving AIC's Hope and opportunity,

for their and their Family's Future, that will effect generations to come.

Thank you for your time in reading my letter, and I pray that you will support this Bill and Reform.
