

I support HB 3343, which establishes limits on political contributions. I believe that

- Campaign finance reform should empower democracy, giving more voice to regular people and limiting the ability of the wealthy to dominate the election process and
- It is crucial that we minimize the undue influence of money in politics. Voters spoke clearly last November approving Measure 107 with the most "Yes" votes of any measure in Oregon's history.

I expect real campaign finance reform this session with the passage of HB 3343.

Sincerely,  
D. Clark
