Dear Senate Finance and Revenue Committee,

I'm writing to urge you to **vote YES on SB43** pertaining to labor rebates and tax credits for media production.

I am a Freelance Creative Producer and Production Supervisor who works mainly on commercial and independent film and video productions. I have been producing in Oregon for over 10 years and was formerly the Executive Producer for At Large Films Inc. based out of Portland, Oregon.

The incentives from this program helps to keep the people in my industry employed so that we have a large qualified pool of industry experts which attracts clients to the state and helps stimulate the economy and keep our businesses flourishing. Having a strong ecosystem deeply impacts my ability to work in Oregon and more importantly my peers who need support to thrive in their field.

Please **vote YES on SB43** to extend these critical programs for our local production industry. It supports my livelihood.

Regards,

Jonathan Jenkins
