

Stop the recklessly slaughtering of coyotes!

It is beyond words to think that this kind of non-sensical "sport" even still exists. Killing coyotes for thrills or prize money, with a total disregard for the intrinsic or ecological value, is a violent, wasteful bloodsport.

Seven states have prohibited wildlife killing contests. Please make sure that Oregon joins this very short list of thoughtful, responsible citizens of the natural world.

Oregon's wildlife is managed in trust for all Oregonians. It is a grave violation of the state's duty to allow individuals to wantonly kill Oregon's wildlife as part of a cruel blood sport.

Sincerely,

Joanie Keller-Hand
