Dear Law makers,

please for the Love of Justice and Love of God, Please remove measure 11 or at least give First time offenders a second chance with cutting there time in half, It has destroyed ~~can~~ and continues to destroy life's. I'm innocent but im still fighting my case, I was told by council I could get life in prison based on measure 11 charges, I dont have a criminal record at all never been in trouble ever, I was a Restaurant IHOP manager and a Security officer as well, I was an asset to the commontiy and a father of 3 and a fiance, So please remove Measure 11 take away the power to prosecutors please also read the printed copies enclosed.

Sincerely,

Edy. NUNEZ
