

I am asking you to vote YES on SB772 and I am asking you to support fair pay for Naturopathic Doctors (NDs). Unfortunately, NDs are currently not being fairly compensated for their valuable contributions to healthcare in Oregon. This makes it more difficult for NDs to stay in practice and deliver this essential and unique level of care. It also places them at a great economic disadvantage to their healthcare peers, making it difficult to repay student loans, raise their families, and give back to the community. Additionally, it limits access to healthcare and choice of healthcare for many individuals and families in the community. I am not asking for any special privileges for NDs. I am only asking that they be treated fairly.

I believe in fairness and I am sure you do as well. That is why I support this bill and that is why I am asking you to support this bill. Thank you for your consideration.
