Dear Senate Finance and Revenue Committee,

I'm writing to urge you to **vote YES on SB43** pertaining to labor rebates and tax credits for media production.

I am an acting coach and actor who has worked in the industry for over 30 years. A robust entertainment industry in Oregon is vital to my business and for the hundreds of actors and industry professionals that I have worked with over the years and choose to live in this beautiful state. A Multi-year program in particular enables productions to come here and thrive (i.e. Grimm, Leverage). There is no way the industry can continue to grow and be recognized as a welcoming place for production without these programs.

Please **vote YES on SB43** to extend these critical programs for our local production industry. It supports my livelihood.

Regards,
