Dear Senate Finance and Revenue Committee,

I'm writing to urge you to **vote YES on SB43** pertaining to labor rebates and tax credits for media production. I am one of the thousands of professionals who depends on income from this work to support my family, pay my mortgage, and contribute to the local economy. Through my work in commercial production accounting, as well as on camera and voiceover performance and production, I can say that since the incentive programs were adopted, our area has become a very attractive and competitive place for these clean job projects to bring in dollars. Please lend your vote to this crucial employment incentive measure.

Please **vote YES on SB43** to extend these critical programs for our local production industry. It supports my livelihood.

Regards,

Timothy Hill
