

Co-Chairs and Members of the Committee,

My name is Ross Ryan, and I live in Mt. Angel. I am here to ask you to prioritize funding for Developmental Disability Services, and public transportation.

I care a lot about public transportation because I don't drive, and many other people with intellectual and developmental disabilities don't drive.

We want to get out and do things on our own and be part of the larger community.

It would be nice if you could use funding to increase the access for transportation here in Mt Angel and in other small rural areas like this.

I want to thank you for giving me the time to talk to you today, and it would be great if you could work with Mt Angel on transportation needs.

Thank you,  
Ross Ryan
