

Urgent Need to Help with Forest Fire Danger in Forest Park and Linnton Neighborhoods.

1. Provide funds to make Forest Park more resistant to fires through non native removal and clearing of underbrush.
2. Provide residents next to the park with pruning and tree removal as needed.
3. Clear neighborhood fire lanes
4. Place dock in Linnton and beach access for emergency
5. Assist industries that are flammable to move away from the park
6. Place a fire engine in Linnton for forest and tank fires
