

Wallowa County Fair Grounds is the heartbeat of our rural community. It serves our youth through 4-H and FFA. It serves as a meeting place for Blood Drives to Firefighters and EMS Trainings. Fund Raisers for scholarship, benefits, and families in need are held in these buildings. Celebrations for weddings, graduations, birthdays and reunions are held here as well as funerals. The Cloverleaf serves as a church every Sunday morning for Summit Church. There are events all year long for all ages and whole community. It is a gathering place.

It is essential to continue with upkeep and improvements to keep the fairgrounds running. There is history here that needs to be remembered and history to be made.

Thank you.
