

This bill is an obvious and nefarious attempt to further erode the natural rights that we as Americans have under the Bill of Rights. As usual these anti-Second Amendment bills attack the rights of the law-abiding citizen not criminals. As a law abiding, handgun carrying American, I will be in danger of losing my freedom in the likely case that I wander too close to an area deemed not deserving of the constitutional right to bear arms.

It seems that Democrats prefer criminal's rights over the rights of law-abiding citizens. Why is this? Is this simply a hatred of one of the freedoms most Americans enjoy? Or are there darker and more sinister un-American reasons for the Democrats relentless attacks against the Second Amendment? In any event this bill should it become law will further alienate law-abiding Oregonians on both sides of the aisle from the extreme Democrat socialist party in Oregon.
