

This bill is a direct violation of our constitution and our 2nd amendment rights. I am a proud American and a proud Veteran. I have a concealed carry permit for over 30 years and I will continue to carry to protect myself, family, and any other person who may be in harms way.

This rule will make criminals out of law abiding citizens and must not be made into law. Therefore I oppose this bill and respectfully request that this Bill does not get voted on or put into law.
