

I oppose SB554, CHL holders already go through background checks, finger printing and get there picture taken and will only receive there license if they are law abiding and not criminals. We carry to protect our families and those around us. CHL holders do not commit robberies or murders as they go through all the requirements to obtain a CHL and carry legally. Criminals use stolen weapons to commit crimes and murders and do not care about laws. This bill will make felons of anyone who is unlucky enough to have missing a sign restricting there god given right to carry and defend them selves and will strip all there rights away. This bill will also make public buildings much more dangerous to enter as criminals will know that no one will be able to defend them selves against them which will give them on average of 7-10 minute to commit any crime or shooting before anyone will show up with a gun to stop them. Please do not put my family and others at risk or make us into felons. We do not need a rise of crime, we do not need to follow in the footsteps of California, Chicago, New York or Colorado. What will be the purpose of a CHL if this bill is passed as we will be heavily restricted on where we can carry. Please do not pass SB554. Thank you for your time.
