

First off that is an unreadable sentence. The Oregon Constitution Section 21 it is a SHALL that acts be plainly written.

That is not. The second thing is that gun control is RACIST. The history of gun control is racist. The first gun control laws were to take or make sure Black Americans could not have guns.

Your mindset is not to protect anyone. Stop these RACIST gun control bills. Black American NEVER gave up there guns in the worst of times even with the Democratic Congresses in the 1800s started it and went into the homes of Black Americans to try to get their guns. Harriet Tubman rescued 300 people and she carried a gun under her arm. Jim Crow laws started in 1865.

Kate Brown's stupid illegal masking "orders" and her threatening businesses to threaten their customers about wearing masks or staying outside of stores like what was done to Blacks under Jim Crow.

Democrat leaders in Oregon do not give a damn about our Black brothers and sisters in Portland. Popeye's was attacked the other night, other black businesses attacked. Kate and Kotek's favorite violent group now says to attack Black Lives Matter. This Democratic super majority will go down in infamy.

Without we the people in attendance doing oversight on our government his is an illegal and unconstitutional session of the legislature.

This legislature has gone so far around the bend and Beyond the Pale they will go down in Oregon history as almost no one had a lick of sense.

Stop these racist gun control laws. It's time for Democrats to stop using Black Americans.
