

To whom it may concern,

This bill and any bill like it are greatly infringing on law abiding citizens to exercise their 2nd amendment right to self defense. This bill and it's amendments make it unreasonably difficult to carry canceled without accidentally committing a felony.

In addition to that, the only thing this actually accomplishes is giving free reign to criminals. Leaving them free to shoot up public areas at will without fear of civilian intervention.

Police forces are already drawn overly thin and you are only putting further load on them to defend everyone, everywhere. As any reasonable person could tell you, the police cannot be everywhere and response times can be dismally slow(at no fault of their own) when seconds matter.

In conclusion, I'd like to greatly urge you to OPPOSE this bill, its amendments, and any future similar bills.

Respectfully,  
Jon Angell
