

Movie theaters have been an integral part of our community's recreational and entertainment resources for generations. Salem Cinema fills a critical niche in the demand for high quality community entertainment but, like all venues showing movies, Salem Cinema has been dealt a nearly fatal blow by COVID restrictions of the past year. The loss of Salem Cinema, which specializes in movies not always available at other theaters in Salem, would be a great loss to the city of Salem and its residents.

The passage of HB 3376 would help assure the survival of a vital and much loved Salem theater and of theaters throughout the state.

Thank you.
