

City of Toledo

Dear Chairs Girod and Holvey, and member of the Committee:

My name is Judy Richter. I am the City Manager for the City of Toledo, Oregon.

I am writing to ask your support for State funding for the Master Plan renovations of the Greater Toledo Aquatic and Community Center.

The City of Toledo supports the Aquatic center. We have recently completed a three year IGA with the Pool District that includes a \$100,000 donation to essentially cover their water/wastewater usage costs for the period.

The City of Toledo supports the Greater Toledo Aquatic & Community Center recognizing the contribution the Pool makes to the livability of the community and the health and wellness of the residents.

Thank you, Committee, for your consideration of this important request.

Sincerely,  
Judy M. Richter, City Manager  
City of Toledo, Oregon
