Dear Senate Finance and Revenue Committee,

I'm writing to urge you to **vote YES on SB43** pertaining to labor rebates and tax credits for media production.

I am an assistant accountant on television series in Portland. I have worked on many shows over the last eight years including Portlandia, Documentary Now, Trinkets, Birch etc.

It's important to me and my fellow crew members that productions come to Portland and work with us. It's been a rough year and I'm looking forward to working on more productions. Without the incentives, most of the shows I've been on would not have filmed here.

So much money is poured into the economy from these projects. As an assistant accountant, I enter and pay so many vendors every day. Money into the Oregon economy. More please!

Looking forward to more work in the future. Need to pay rent.

Please **vote YES on SB43** to extend these critical programs for our local production industry. It supports my livelihood.

Regards,

Naomi Kohn
