Re: Yes on HR 3 Please expel Rep. Nearman

Dear Rep. Holvey and Members of the Committee,

I live in HD 23.

Please vote to expel Rep. Nearman. Please also re-refer the case to the Marion County DA for additional charges.

It is my opinion that two videos I have seen prove that Rep. Nearman incited a riot, conspired with potential insurrectionists, and participated in the riot-- thus endangering lives and public property.

These actions seem to rise to the level of felony.

Someone needs to get his cell phone records to see if indeed he was in phone communication with the rioters at the time he opened the door for them.

Thank you.

Aileen Kaye, Constituent of Rep. Nearman
