

I strongly urge the members of the House Special Committee on December 21, 2020, to support HR 3 and move to expel Rep. Nearman from office. As can be seen on videos, he literally opened the door for violent, armed rioters to attack the Capitol and State Police while threatening lawmakers and Capitol staff in addition to educating on how to get into the building and then meeting them there to open the doors.

This is about preserving our Democracy! The members of this committee have a clear choice and a clear duty: Not only has Rep. Nearman been criminally charged for "unlawfully and knowingly" opening the door to rioters, the legislature's own investigation found he acted intentionally.

Please make sure Rep. Nearman and others like him are not in a position of destroying our government and putting people's life in danger. Expell Rep. Nearman!
