

How did we get here? More importantly, how has Rep. Nearman not resigned yet? Anyone with a moral compass would know what they did was wrong.

He literally opened the door for violent, armed rioters to attack the Capitol and State Police while threatening lawmakers and Capitol staff. He risked the lives of the people who swore to protect our democracy. He is not a patriot, and he has no place in Oregon's legislature.

The members of this committee have a clear choice and a clear duty: Not only has Rep. Nearman been criminally charged for "unlawfully and knowingly" opening the door to rioters, the legislature's own investigation found he acted intentionally.

Do what's right and do it now before he endangers more people on our tax dollars.
